18th February

Planning & Highways

Members of the public are welcome to attend and questions can be asked at the beginning of each meeting. Agendas are available from 37, Church Street or via the council web-site.

Mayor's Diary

Councillor Tracy Willis has continued to work hard for the town and has attended numerous events in the area. She has been particularly busy during the festive period by attending carol concerts and Christmas lunches. By the end of the year the Mayor had attended 148 events. She said "I am always pleased to attend events on behalf of Seaford Town Council and the people of Seaford. I enjoy my duties and I am forever proud of the young people of the town, many of them who do so much good work."

Christmas Lights

The new Christmas lights have been very popular with several local traders telling the council that they have contributed towards bringing customers into the town. The new lights are LEDs which also means there will be a significant (63%) reduction in the electricity bill. The lights were switched on by the Mayor on 4th December at the War memorial where the town Christmas Tree now stands. This was decorated by children from St John's School in Firle Road. Our Town Crier was also there to greet Santa.

Icy Roads

The recent bad weather has caused a large number of people contacting Seaford Town Council asking for their roads to be gritted. The Highways Department of East Sussex County Council has a policy of gritting major roads. They can be contacted on 0845 6080193 (calls charged at a local rate)

This is also the number to call to report pot-holes, faulty street lights and trees overhanging the highway.

FIRLE ROAD, EAST BLATCHINGTON, DECEMBER 2009
