# NEWSLETTER OCTOBER 2011

This years Mayoral Charity  
Waves—Family Support

Young Mayor, Maddie Jay  
and Deputy Young Mayor,  
Amy Gough at open garden.

Sheila Hancock opens the  
Peace Garden

Meeting representatives  
From Crivitz, USA.

I would like to thank everyone who has supported my fundraising for WAVES Family Support Service in Seaford so far this year and special mention and praise must go to Mr Geoff Stonebanks for opening his award winning garden in July and to Mike and Jenny Wright for their open garden in September raising over £800 between them to enable WAVES to continue their work with local families who find themselves under pressure.

The Crouch Bowling Club generously donated £100 after hosting the annual friendly match against Councillors and Staff. Other events and organisations have contributed to my growing total and I thank them for every penny, pound and ounce of effort they have undertaken.

It was a pleasure to have tea with actress and Quaker, Sheila Hancock at the home of former Seaford Mayor, Ralph Taylor. In glorious sunshine we proceeded to the Peace Garden where the official opening was witnessed by a host of people.

It has been my pleasure to attend and support events in the Seaford community and to learn about the diverse and essential role played by the volunteers of the local organisations and groups. I have visited schools, scout groups, church receptions, recitals, the bike fest, the donkey derby, the French market, Seahaven FM, dog shows and several fantastic exhibitions in the newly renovated Arts@theCrypt at 23 Church Street, which I urge everyone to check out for themselves.

I was honoured to lay a wreath on behalf of the people of Seaford for remembrance of the Battle of Britain, again well attended by people of all ages.

Last but not least, a welcome to Rev. Paul Owen (St Leonards/St Lukes) and Rev. Canon Dr. Andrew Mayes (St. Peters/St Andrews).

*L. Wallraven*

Councillor Linda Wallraven, Mayor of Seaford.

## No Cold Calling Zone for Seaford

Seaford could soon be able to relax thanks to Seaford Town Council, Seaford Neighbourhood Policing Team and East Sussex Trading Standards if the introduction of No Cold Calling gets the go ahead in Seaford. These partners have been working together to prevent unwanted callers and bogus tradesmen cold calling on local residents.

The scheme already successfully operates in Bishopstone and Seaford East Ward and is being assessed for possible extension to cover the whole of Seaford.

Setting up a zone is a warning to cold callers to keep out. Local residents are provided with information that shows them how to deal with unexpected callers.

With this in mind a vote is taking place from 26 September until 24 October 2011. This will be an opportunity for residents to put forward their view to the partners.

The partnership is very interested to know if residents would like the scheme to go ahead and if they approve of the idea of an exemption being granted to charities, who would apply for a licence to Seaford Town Council.

Email any enquiries to [admin@seafordtowncouncil.gov.uk](mailto:admin@seafordtowncouncil.gov.uk) or look at the website for general advice which can be found at <http://www.eastsussex.gov.uk/community/tradingstandards/advice/complaints/coldcalling.htm>

Please vote either on the SurveyMonkey website which can be found at : <http://www.surveymonkey.com/s/95LSGMQ> or by voting at the ballot boxes which can be found at the post offices at Walmer Road and Church Street or at Morrisons Supermarket or the Tourist Information Centre at Church Street – please vote only once. Voting is open to residents of Seaford only (BN25 postcode).

If after consultation the scheme goes ahead, a launch date will be organised where information will be available to residents. Signs will go up at the entry and exit points of the major roads in and surrounding Seaford to ensure unwanted callers get the message that they are not welcome in our Town.

## Grants Awarded

The Finance and General Purposes Committee awarded grants of up to £500 to 27 organisations and charities in the Seaford area to continue to support community activities and good works.

Despite an increase in the grant budget this year, more than three times the amount available was requested by local organisations and charities. Three quarters of the applicants received part or all of their requested amount and have written to thank the Council for supporting their work in the community.

The Seaford Lifeguards are one of the charities supported by the Seaford Town Council small grants programme and by using charitable donations they secured nearly four thousand volunteer hours, saving more than twenty eight thousand pounds in costs, from May to September and educated more than three thousand children in East Sussex in water safety.

The Seaford Seniors Forum were also awarded costs towards their upcoming 'Mind Body and Spirit' day as part of the UK Older People's Day national programme. This is an event to raise awareness of the wide variety of activities in Seaford available for retired people, as well as an opportunity to meet Seaford Seniors Forum members and the committee, plus other local groups. Refreshments served throughout the day. Seaford Baptist Church, Belgrave Road from 10am on Wednesday 26th October 2011.

## Salts Café—Change of Licensee

The Salts Café concession, situated in the Salts Recreation Ground, has a new Licensee (First Come, First Served Ltd) and is now reopen for the autumn and winter months to serve the many users and sporting teams of the Salts Recreation Ground.

## Marathon Achievement!

Seaford Town Councillor Adrian Campbell took part in the Berlin Marathon in September completing the race in 3 hours 20 minutes and 11 seconds and raising £500 for WAVES family support service, the Mayor of Seaford's chosen charity for 2011/12.

Seaford Striders runner Adrian has competed in many marathons and was delighted to support the Mayors charity fundraising year.

## Arts@theCrypt

The Seaford Art Club, Seaford Set and Fine Art and Fabric exhibitions were all delighted with the number of visitors to their recent exhibitions at the newly re-opened gallery at 23 Church Street.

Improvements at the Crypt are well underway and Seaford Town Council is delighted to offer the venue for hire at a very reasonable cost for exhibitors and community groups.
