Welcome to the Autumn edition of Seaford Town Council's quarterly newsletter!

Over the next few pages we hope you will learn a little about what has been going on with your local Town Council and what our plans are going forwards.

Many Council Officer hours are being put into finalising the draft of the Salts Development Plan, getting the new golf clubhouse ready for its opening, populating the new website amongst various other projects, whilst continuing to manage and maintain the many assets of the Council and everyday administration.

There are some exciting events coming up for everyone to look forward to as we draw towards the end of 2014. Our Christmas Magic event on Saturday 6th December is set to be a fantastic festive day for the whole family. Feedback from previous years Late Night Shopping Christmas event has shown that businesses and residents alike would rather have an event during the day than a late night. The Council and Seaford Community Partnership are therefore organising the daytime Christmas Magic event. Starting at 10am and running until 5pm there will be plenty of opportunities for people to come along and join in the jollities! The Christmas light switch on will be done by Santa Claus at 4.30pm, so be sure to be there!

This year Remembrance Sunday falls on 9th November; the memorial service will be held at the Sutton Road War Memorial as per previous years. Those wishing to attend should arrive at 10.30am to mark their respects to those heroes that fought and those that have fallen in the World Wars.

As always we want to hear your feedback, whether complaint or compliment, so please feel free to do so using the Council Office contact details to the left.

Councillor Mark Brown
Mayor of Seaford

APPOINTMENT OF DEPUTY YOUNG MAYOR

July 2014

On 25th July we welcomed Seaford's new Deputy Young Mayor in to Office.

Further to elections being held in the local schools the result was announced by Mayor Mark Brown and the Young Mayor Millie Hemsley in the Council Chambers where the two candidates, Gabrielle Edwards and Katie Rollings, were gathered with their families.

There was a good response to the elections with over 300 votes in total. With less than 50 votes between the candidates it was a close call but the winner was revealed to be Gabrielle Edwards.

Mayor Brown thanked Katie for her efforts and input during the election process and encouraged her to look at standing again in next year's elections. At just 13 she has a bright future ahead of her!

When Gabrielle was asked how she feels about becoming Deputy Young Mayor she said "I feel very proud to be chosen for Deputy Young Mayor and I look forward to representing the youth of Seaford over the coming two years".

As Deputy Young Mayor her duties will include attending public events and supporting the Young Mayor.

Mayor Mark Brown with Young Mayor Millie Hemsley, Deputy Young Mayor Gabrielle Edwards and Katie Rollings

CROUCH BOWLING CLUB V STC ANNUAL GAME

September 2014

Competition was in the air on a mild September's evening as Councillors, staff, the Young Mayor, Deputy Young Mayor, friends and families joined the members of The Crouch Bowling Club for some enthusiastic games of mixed team bowls.

The friendly rivalry was soon in full swing and the final score was extremely close with just a few points difference between the teams. All of those who attended had a brilliant and enjoyable evening of games and good conversation followed by a fish and chip supper!

Deputy Young Mayor Gabrielle Edwards

The Club leases their grounds within The Crouch Gardens from Seaford Town Council and next year will be celebrating their 80th anniversary having been in action since 1935.

If anybody is interested in joining the Crouch Bowling Club or would like more information on it then please visit their website www.seafordcrouchbowlingclub.co.uk or contact the club secretary Brian Bodsworth by telephone on 01323 896344 or by email at brian.bodsworth@btinternet.com

TOUR OF BRITAIN EVENT

September 2014

Seaford formed part of the Tour of Britain cycling event this year for Stage 7 of the race from Camberly to Brighton. Seaford Town Council, collaborating with local groups and businesses, organised events for the day to coincide with the race, for the residents of Seaford and those visiting in support of the riders.

As the cyclists came through the area they were greeted and cheered on by thousands of excited supporters, hoping to catch a glimpse of all of the athletes including the legendary Sir Bradley Wiggins.

Tour of Britain competitors riding past Seaford seafront

Bicycle related activities and funfair attractions at The Salts received a fantastic response from everyone who came by throughout the day and Seaford's first ever outdoor cinema screening was a 'sell out' success, the showing of The Lego Movie really drew in the crowds.

As always the event wouldn't have been possible without the selfless volunteers, including Councillors who gave their time to help out and our event partners; **Cycle Seahaven** who provided the residents of Seaford with free bike tune ups, servicing advice and demonstrations; **Sustrans** who organised the 'Smoothie Bike', provided 'How to' videos and Cycle train rides with the 'Cycle train team'; to **Seaford Rotary Club** who provided significant stewarding cover for spectators and stewarding of spectator parking; to **Seaford Lifeguards** who once again covered our first aid for the day and **Seaford Community Cinema** who ran the wonderful evening movie.

We would also like to thank **Wave Leisure** who sponsored us and provided free demonstrations for spin classes, **Brooklyn Hyundai** for sponsoring the event and **Tansleys** for sponsoring our programme.

The day was an enormous success! We created new partnerships, raised awareness and generated more positive interest in Seaford as a whole.

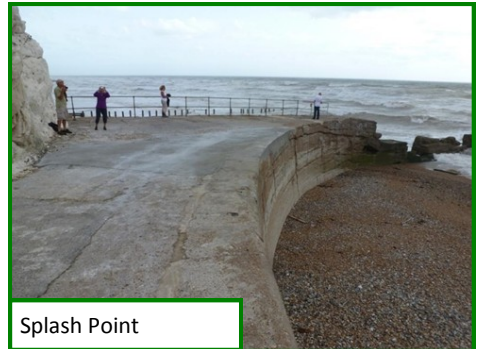

The funfair at The Salts

BULLETIN BOARD

SEAFRONT IMPROVEMENTS

During the summer improvements were made on the seafront as an early preparatory stage for the Seafront Development Plan that is to be devised. The most notable and vital improvement was the re-opening of Splash Point after repair works paid for by Seaford Town Council and Lewes District Council were completed in August. Storms left the site inaccessible back in February but this remedial work now returns this much loved part of our seafront back to its previous condition enabling residents and the wider community to enjoy the area once again.

Splash Point

A larger mixed waste bin

Just as vital was the installation of the new, larger mixed waste bins on the seafront. It is hoped that this will reduce the amount of litter being found on the seafront and encourage and enable people to be more considerate of our scenic coastline.

Seafront shelter

Also outstanding was the refurbishment of the shelter on the promenade near Martello Tower that is now once again standing proudly in its rightful place.

CENTENARY CLOCK RELOCATION

The Rotary Centenary Clock was donated to the town back in 2005 by Seaford Rotary Club to mark the centenary of the Rotary Movement. Due to the inaccessibility of its position, necessary maintenance works had not been carried out and the clock had been out of action.

Keen to restore this piece of history to its former glory, the Council arranged for it to be relocated from its previous housing on Hurdis House to the front of neighbouring L.Cameron & Son's Pharmacy and whilst being moved, to have the mechanical fault rectified.

Well-respected clock repairers Smiths of Derby carried out the maintenance works and relocation, and thankfully were able to return it to full working condition where it will now provide time for visitors to the town centre as well as being an attractive feature and part of the history of the high street.

The Centenary Clock in its new home

BULLETIN BOARD

LEASES AND AGREEMENTS

Further to the report taken to Full Council on 21st August in which Chris Rolley Associates set out their findings from the review of the Council 's leases, licences and agreements, Council Officers have been working busily on getting better systems in place and agreements signed and in place where there were none or they were out of date.

Most recently the Council has signed a new self-management agreement with Seaford Allotment & Leisure Garden Society for the management and maintenance of Sutton Drove Allotments. Further information on the allotments or society can be found at www.salgs.co.uk.

The lease with Seaford Museum & Heritage Society is ready for signing it is just waiting for the Museum to become registered as a Charity limited by guarantee before being legally finalised. Visit their website for more information on the organisation and museum www.seafordmuseum.co.uk.

CITIZENS ADVICE BUREAU TURNS 75!

75 years ago the first Citizens Advice bureau opened in response to the breakout of World War 2. On 4th September 1939 the first 200 bureau opened. From the start volunteers ran the service working from public buildings and private houses. Advisers dealt with problems relating to the loss of ration books, homelessness and evacuation. They also helped locate missing relatives and prisoners of war. Debt quickly became an issue as household income reduced due to call-ups. Today the service is responding to a different type of crisis but still offering free, confidential advice from over 3,500 venues across England and Wales. We also make a lasting difference to society by campaigning for change through our social policy work.

On a local level the two bureaux of Lewes and Seaford were amalgamated in December 1997 having been separate charities before that date. We still operate as a single entity under the name of Lewes District CAB and contrary to what many people think we are an independent charity, receiving no central government funding. We are really proud of our staff and volunteers and our army of supporters without whom we would not be here. No one knows when they might have a problem they can't sort out and that is why we plan to be here for your children, family and friends for many years to come. As an independent charity we can't survive without your help so please think about supporting us in any way you can; by giving your time, money, expertise or even something tangible like a ream of copier paper!

We are always looking for new volunteers so if you have some free time why not look at our website to check on volunteering opportunities www.lewescab.org.uk you may be surprised at how flexible we can be.

the charity for
your community

BULLETIN BOARD

PROJECTS AND FACILITIES UPDATE

The Salts

There have been several improvements in The Salts over the recent months. New basket ball hoops have been installed and the litter bins are now emptied more often to help

The Salts

tackle littering and overflow. Premier Mini Soccer now trains at The Salts regularly and we are working on the addition of more pitches so that more matches can take place.

Council officers are currently working on an over all development plan to help revive The Salts as a whole, this will be submitted to the 6th November Council meeting for approval.

Martello Fields

Although events have continued, the site has experienced a number of complications this year. Conditions have resulted in a increase in the frequency of flooding and the contamination of areas by sewer water. The site has been cleared following the most recent incident and a process is in place for reporting of incidents to Southern Water.

There were incidents of unauthorised encampments on the field in August and September, both were dealt with as swiftly as possible and were cleared within a few days. With these incidents in mind, security is being reviewed as a matter of urgency; and management of flood risk will be considered in future, finding ways to reduce the impact of floods on the site, especially sewer water. In addition parking and camping incidents will be reviewed to consider ways of eliminating certain trends.

Martello Fields

Signage Project

With additional funding now pledged from Lewes District Council the signage project highlighting the location of many facilities developed in 2011 can be moved forward and with the assistance of East Sussex County Council is hoped to be rolled out in plenty of time for 2015.

BULLETIN BOARD

PROJECTS AND FACILITIES UPDATE

Capital Wishlist

The Capital Wishlist adopted by Council in August in the majority features 'community services' related assets. The projects listed range from £250 – £200,000 and include projects that will improve children's play space, sports equipment, quality and condition of facilities, accessibility and inclusion, health and wellbeing, events management, health and safety and more.

The projects have been given a level of priority which in turn will lead efforts in prioritising workload. With the Salts Development Plan currently being prepared for submission to Council the result will be that any proposals for improvements within The Salts can then be implemented rapidly, provided that it fits within the scope of the development plan. The wishlist will be available for viewing on the new website once it is live.

SEAFORD HEAD GOLF CLUBHOUSE UPDATE

The rebuild of the clubhouse at Seaford Head Golf Course started in September 2013. As a direct result of the adverse weather conditions over the winter and the storms at the beginning of 2014, the construction has been delayed.

At the time of writing, the build is in its final stages with ceilings going up and final fixtures going in. The next few weeks will be busy with decorating and fit out, getting the clubhouse ready for its opening which is now hoped to be late November/early December.

Council Officers have been working closely with the contractors, Cheesmur, communicating on a daily basis to ensure the build continues to progress and any issues arising, as you would expect with a big project like this, are quickly resolved.

The Council is aware that at present access to the site is less than desirable and this is in hand.

Once the clubhouse is finished recruitment will begin to staff the venue. The recently appointed Business Manager Oliver Stanyard will be assisting with this. Keep your eye on the Council's website www.seafordtowncouncil.gov.uk for further updates.

A great view from inside the dining area over the 18th tee

TOWN CRIER'S SUCCESS!

August 2014

Seaford's Town Crier Peter White took part in the World Town Crier Tournament held in Chester back in August and returned with a wonderful second place trophy for "Best Dressed Crier" out of a total of 24 criers including a number of world champions.

With competitors gathering from around the globe Peter was very happy to receive this trophy for his splendid 1865-replica uniform, crafted by the Queen's Warranted Naval Uniform Tailor Geoffrey Golding.

Peter said "to win second place was a great honour. The winner, a Native American from Canada, had three different brilliant outfits and deserved to win! It is also a big thank-you for the Clubs and individuals who helped to fund the new uniform two years ago."

Whilst there he gave a gift to the Lord Mayor of Chester; an inscribed and sealed scroll of greeting, from the Mayor of Seaford and a stick of Seaford rock. He also volunteered for an afternoon of community work along with the other criers and spent his time in Chester's Central Library reading stories to children in their holiday reading club.

Peter's next foray into the competitive world is the National Town Criers' Championship in Hastings' Priory Meadow on the morning and afternoon of October 18th. He'd value your support!

Town Crier Peter White

Seaford Town Council is delighted to offer the venue for hire at a very reasonable cost for exhibitors and community groups with prices currently at a fixed rate.

The website can be found at: www.thecryptgallery.com, they also have Facebook and Twitter Accounts to be followed.

Exhibiting space within the Gallery

For more details or if you have any enquiries please email info@thecryptgallery.com

For bookings please email bookings@thecryptgallery.com

Last Minute Artists—look out for their next event on the Arts@theCrypt notice board!

Last Minute Artists is run by a group of six artists who organise weekend pop-up galleries at the Crypt on a voluntary basis for the benefit of artists and residents alike.

PAST MAYOR'S MEDAL AWARDED

September 2014

At the Council meeting on 21st August former Mayor of Seaford, Councillor Anthony White was presented with a medal to honour his time in Office by the current Mayor, Councillor Mark Brown.

Councillor A White was elected and served as Mayor for the Municipal Year 2013/14. He held many events during his time in office, with proceeds raised going towards his two chosen charities; Seaford Downs Syndrome and Special Needs Support and Waifs & Strays.

All of Seaford's Town Councillors are volunteers and serve the community for the betterment of the town and therefore at the meeting the Mayor expressed his grateful

thanks gratitude, on behalf of the Council and town, to Councillor A White for his dedication during his time in Office to his duties and to serving the residents of Seaford as Mayor.

Councillor White and Mayor Brown

COMMUNICATION

WEBSITE

The Council's new website will go live imminently. The site will however continue to be added to and amended over the next few months.

The Council is aware that this new site is long overdue but hopes that once it is live it will help improve communication with the residents of town and visitors to the town or just people with an interest. The new site contains more information than the previous site so will service the public, Councillors and Council staff much more effectively.

Feedback on the site is more than welcomed; please if possible let us know your thoughts in writing to georgia.raeburn@seafordtowncouncil.gov.uk.

RECORDING OF MEETINGS

The Council have now taken measures for any members of public wishing to record public meetings. Seating is reserved in the public gallery and guidelines for recording meetings are available. The Council asks where possible that you do inform us in advance if you are planning to record a meeting. The guidelines for the recording of meetings can be found on our website.

Council Officers continue to work with the Filming Working Group on looking at the options available for the Council to install a camera in the Council Chambers and record its own meetings.

MAYOR'S CHARITY LIFEBOAT TRIP

October 2014

On Sunday 12th October 2014 The Mayor of Seaford, Councillor Mark Brown and Councillor Sylvia Dunn organised a trip on the Newhaven Lifeboat for Councillors and staff in a bid to raise money for his charities and to donate half the money raised to the RNLI Newhaven.

The Mayor said "I am pleased to announce that £240.00 was raised for the trip in total. £120 will be shared between my two charities, Seahaven Storehouse and Waves with the remaining £120 being donated to RNLI Newhaven. I would like to give my extreme thanks the RNLI Newhaven for allowing Seaford Town Council to take part in their training day and it gave me great pleasure in presenting them with the cheque that morning."

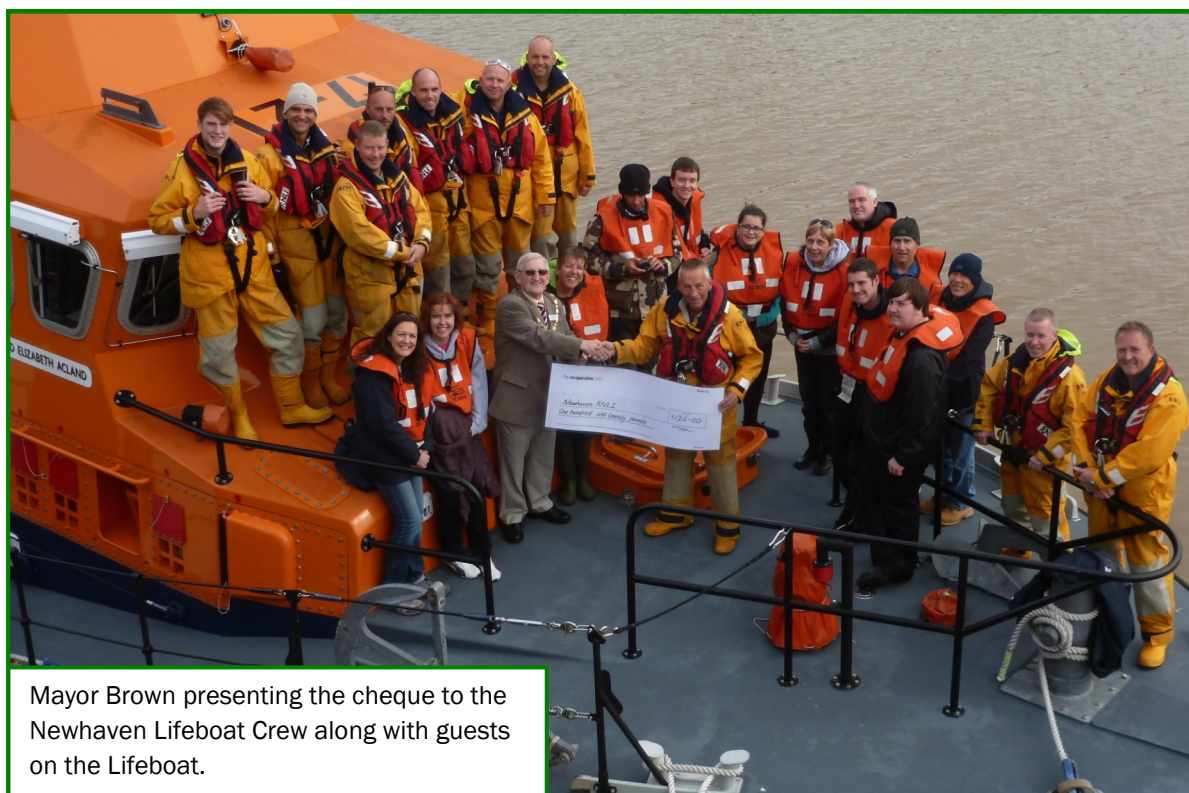

Councillors and staff, along with their families, joined the crew in their training session leaving the dock around 10am. Fortunately for all, the rain held off and the sea was calm! Lucy Clark, The Support Services Manager at Seaford Town Council said "This was a fantastic opportunity for Councillors and staff to attend their training session and be given an insight to the outstanding job that these men do. All their work is voluntary and on many occasions they are put in dangerous situations to save the lives of others. They are all a real inspiration."

Newhaven Lifeboat Crew in action

The trip lasted for approximately two and a half hours with the last half hour involving the crew performing a breeches-buoy exercise with one member having to get in the water!

If anyone would like to find out more information about the RNLI Newhaven or would like to make a donation, please visit their website at www.newhavenlifeboat.co.uk

Mayor Brown presenting the cheque to the Newhaven Lifeboat Crew along with guests on the Lifeboat.

SALGS SIGN MANAGEMENT AGREEMENT

September 2014

Seaford Town Council are pleased to announce that a new management agreement has been agreed upon and signed by both themselves and Seaford Allotment & Leisure Garden Society, for the management and maintenance of Sutton Drove Allotments.

Seaford Allotment & Leisure Garden Society have managed the site since 2000 on behalf of the Council and both parties are looking forward to a collaborative and cooperative relationship. The new agreement is in place for fourteen years providing long term security for the site as well as the society.

Mayor Mark Brown signing the agreement with Eddie Collicot, Chairman, Barbara French, Secretary, and Paul West, Security Officer, from the Society.

The new management agreement gives responsibility to the Society for more of the maintenance and decision making on the site, but also allows them more freedom to use their expertise and experience to make the best of the site and provide the best possible service to its plot holders.

The Council have expressed willingness to support the Society in securing a grant from Awards For All to clear an area of overgrown land on a part of the allotment site. The Society hopes that through the clearing of this land and the help of a small project team they will have more plots to let and provide space for a number of small scale projects to do with conservation and wildlife.

Eddie Collicot, Chairman of Seaford Allotment & Leisure Garden Society, said upon signing the document *"I am pleased that we seem to be getting back to a more cooperative and collaborative working relationship and I am grateful to all whose work and effort has brought this about"*.

For more information on the Society, the allotments or enquiries about joining please follow the link to their website www.salgs.co.uk.

HIRING OF OUTDOOR SPACES

Seaford Town Council have a great range of outdoor spaces that are available for events hiring such as the Martello Fields, The Salts Recreation Ground and areas of The Crouch Gardens.

If you would like more information on this, prices for hiring or would like to make a booking, please call 01323 894870 or send an email to admin@seafordtowncouncil.gov.uk

FILMING

Seaford is home to some stunning landscapes, including the iconic Seaford Head which forms part of our Local Nature Reserve. You will often see the view from Seaford Head down to Cuckmere Valley used as an image to attract tourism to the area.

Anyone wishing to film or take professional photographs on Seaford Head does however need prior permission of Seaford Town Council as the landowner. If you are interested in videoing or taking photographs on this site, please contact Carolyn McCourt who manages this on the Council's behalf on 01323 890173 or 07943391494.

There is a fee for filming or doing photography on the site but you should note that this income goes back into maintaining the Nature Reserve and helping preserve its natural beauty and wildlife.

Most recently we have had Sir Ian McKellen shooting scenes from his new Sherlock Holmes film on site, a fashion shoot for Shortlist Magazine and Ellie Goulding even shot part of a music video!

ANNUAL RETURN

The audit of accounts for Seaford Town Council for the year ended 31 March 2014 has been concluded and the Annual Return is available for inspection by any local government elector of the area of Seaford Town Council on application to:

Lucy Clark
Support Services Manager
37 Church Street
Seaford
BN25 1HG

Copies of the Annual Return will be provided to any local government elector on payment of £0.24 for each copy in line with the Council's Publication Scheme.

The Annual Return will also be published on the new website once it is up and running.

MAYOR'S PHOTOS

Councillor Anthony White

Every Mayor of Seaford has a professional photograph taken at a location of their choice within Seaford. This photo is then hung within the Council Chambers alongside those of the Past Mayor's, a tradition that has been upheld since 1999.

Councillor Anthony White, Mayor of Seaford for the 2013/14 Municipal Year, and Councillor Mark Brown, current Mayor of Seaford, recently had their photographs taken by Matt Bode Photography,

which will soon be taking their place on the wall in the Council Chambers.

Mayor Mark Brown

For information on Matt Bode Photography or to see examples of their work please visit the website at www.mattbode.com or phone 01323 898749.

SUBMIT YOUR NEWS STORIES TO THE SEAFORD HERALD!

With the ending of the Seaford Gazette comes the bright beginning of the Seaford Herald. The focus is to provide a paper packed with local news for the people of Seaford, by the people of Seaford.

We would like to encourage everyone to submit any articles they would like to see in the paper, anything from upcoming events by local organizations and groups to the achievements of local people or projects, even photographs of the area and the 'goings on' of the town.

To submit general articles please email them in to myherald.news@jpress.co.uk

For sports news please email myherald.sport@jpress.co.uk

Also, to let the editor know what you think of the paper please email keith.ridley@jpress.co.uk

HOUSEHOLD WASTE & RECYCLING SITE UPDATE

East Sussex County Council have confirmed that from Monday 6th October Seaford's HWRS, along with two others in the District, will be closed Monday to Thursday and only operate as follows:

Fridays and Saturdays: 8.00am to 4.00pm
Sundays: 9.00am to 4.00pm

For further information please see their website: www.eastsussex.gov.uk/environment/rubbishandrecycling/recyclingsites/escs-seafordhwrs

TOWN COUNCIL STAFF UPDATES

BUSINESS MANAGER

Seaford Town Council is delighted to announce that local resident Oliver Stanyard has been appointed as the new Business Manager at Seaford Head Golf Club. Oliver comes with proven commercial experience recently as the Seaford Branch Manager of Fox & Sons estate agents. He can be contacted on oliver.stanyard@seafordtowncouncil.gov.uk

Oliver Stanyard

TOWN CLERK

The Personnel Sub-Committee met on 8th October to go through the selection process and shortlisted five candidates to interview. Chris Rolley Associates are assisting the Council in this process and will remain involved throughout the interviews and subsequent appointment. Interviews for this role will be carried out on Tuesday 28th October at the Council offices. Before any offers of employment are made, the selected candidate's details will be presented to Full Council on 6th November for approval.

UPCOMING EVENTS

A festive poster for 'Seaford Christmas Magic'. At the top, the words 'SEAFORD CHRISTMAS MAGIC' are written in a glowing, dotted font within a rectangular frame. Below this, there are large, illuminated Christmas ornaments, including a red and white striped one and a gold one. The background is dark blue with white stars and a string of lights at the top. At the bottom, the text 'ALL DAY STREET MARKET & CHRISTMAS FAYRE' is written in large, bold, yellow letters. Below that, 'SATURDAY 6th DECEMBER 2014' and '10am -5pm' are written in white. Further down, 'CHRISTMAS★LIGHTS★SWITCH★ON★' and '★BY★SANTA★AT★4:30PM★' are written in yellow and white. At the very bottom, it says 'Organised by Seaford Chamber of Commerce & Seaford Town Council' in white.
