I visited the Town Council Office on Tuesday 20th September 2011 to commence the Internal Audit process for 2011-2012. Further visits were made on 24 January 2012, focussing on Risk Management, and 1 February 2012 to deal with remaining items on the Internal Audit Plan. A final visit was made on 22 May 2012 to deal with the endof-year process and completion of the Annual return.

The comments below are in the order of the headings in Section 4 of the Annual Return, followed by any additional items specified in the Council's Audit plan.

Recommendations are shown in **bold and underlined**, and any responses received from Council have been added in italics.

#### A. BOOKS OF ACCOUNT

Using the RBS Omega system, entries are made weekly and, as a sample, were completely and correctly balanced at 31 August 2011.

VAT is charged on property rentals, and returns are made quarterly on-line, the last being June 2011. (As at 20/9/11)

Two PWLB loans are outstanding with half-yearly direct debit repayments in operation.

#### **B. FINANCIAL REGULATIONS**

Standing Orders were revised and adopted March 2011, with Financial Regulations revised and adopted August 2011. These include a new limit for contracts requiring tenders of £25,000. as recommended last year. Most contracts are now therefore subject to three quotations, rather than tenders. The Regulations are fully complied with, except in acceptable specialist product circumstances.

Payment procedures, with invoices attached to a payment authorisation slip, cheque signing and use of direct debits are satisfactory.

Purchase orders are produced manually, but are not linked to the RBS system. A revised Purchase Order form is in course of preparation.

Reference to Power under which expenditure is incurred is only shown in Minutes for exceptional items and for Grants & Donations.

Council is not yet eligible to use Power of Well Being.

Standing Orders regarding contracts are followed, for example when seeking tenders for the revaluation of Council's properties. There are no multiple, cumulative, contracts with single suppliers.

Use of S.137 is limited, but correctly understood and applied when appropriate.

#### C. RISK MANAGEMENT

Insurance has been switched to Zurich on a five-year deal at a reduced premium. A comprehensive Risk Management strategy has now been formulated, with detailed risk assessments and management processes being completed for most sites and assets. Work to complete this process is ongoing, and documentation of some Inspection processes is still outstanding.

STC: The projects and Facilities Manager is continuing to complete the process and outstanding documentation will be completed.

Electrical appliance testing has been carried out.

Golf Course Risk Management is now in place, with appropriate documented inspections. Monitoring of controls for this site-specific work is carried out by the Facilities Manager.

Contractors Public Liability insurance is checked as appropriate.

The annual risk management review will be taken to F&GP on 18 February 2012.

It is evident that not all loose-leaf pages of Council Minutes are initialled by the Chairman who signs the final page. This should be back-checked, and monitored for the future.

STC: All minutes for the year have been reviewed and those pages identified. They have subsequently been initialled by the relevant Chairman. A process will be established to prevent this error recurring.

#### D. BUDGET & PRECEPT

A thorough Budget process has been completed with a 9.5% increase in precept agreed for 2012-2013. This will allow an increase in the level of Reserves as previously recommended, and the principle of a further increase is accepted, although no timescale is now stipulated. Further consideration should be given to this for 2013-2014 in the light of progress with the Golf Course project, and bearing in mind the one-off budget item for Jubilee celebrations next year, to ensure a satisfactory level of reserves is maintained in order to meet unforeseen requirements.

STC: The level of reserves is considered by Council as part of the budget process, taking account of issues highlighted by the Financial Risk Assessment.

#### E. INCOME

Revised 3 year agreements are now in place for concessions and Sports Club rents, and a new casual hire tariff has been agreed.

Income handling process is satisfactory, and hirers insurance cover is checked.

A good Income control process is in place, with appropriate monitoring of Golf Course income, in particular, carried out by RFO. Bad debts are not an issue, and proper measures are taken with late payers.

VAT is charged on all hires.

#### F. PETTY CASH

Expenditure is satisfactorily controlled by use of vouchers, which are properly authorised, coded, allocated and VAT reclaimed if appropriate.

Council's contracted Handyman retains a £250 float.

Occasional Petty Cash income is received, and used in part to replenish the float.

#### G. PAYROLL

Payroll is carried out in-house using IRIS Paymaster. End of year returns at 31/03/2011 were completed satisfactorily, <u>but an acknowledgement from HMRC is still awaited.</u>

STC: This has now been produced.

Appropriate salary increases are minuted, and NALC scales are used. A sample from Minute authorisation to Payroll was checked.

SALC approved contracts of employment are used.

Pension contributions are made at the correct levels.

Salaries are paid by electronic payment via Co-Op Bank "Payflo".

Staff or Members make few expenses claims, with those that are being properly authorised.

Councillors' Allowance Scheme has not been adopted.

#### H. ASSETS AND INVESTMENTS

The asset register was updated at 31/3/2011, with revaluations of properties being carried out by external surveyors. This has fed into renewal of insurance.

Public liability cover under Road Traffic Act for motorised off-road equipment is provided by a separate policy.

Details of some of the original transfers of assets from Lewes DC are still being checked, and a keys/ keyholders access arrangements/ insurance cover schedule is being prepared.

An inventory of office equipment and small maintenance equipment should be compiled.

STC: The Golf Course schedule is being compiled by the head Green-Keeper and the office equipment list is being compiled by the Corporate Services manager.

#### I. BANK RECONCILIATIONS

Reconciliations are done at month end, and are checked by Chairman of F&GP Committee.

All funds are in one interest bearing account, <u>but regular checks for better rates on term deposits should be made.</u>

STC: Checks have been made with other major UK banks periodically, but for the sums involved the interest rates on offers are not good. Our bankers (Co-operative Bank) have recently introduced some term deposit rates wich offer a better return for longer term deposits and funds have been placed into one year, three month and one month deposits.

#### J. YEAR END ACCOUNTS

Figures for the Annual Return have been correctly extracted from the accounting system, and bank reconciliations at 31/3/12 have been checked.

#### K. TRUSTEESHIP

Not applicable.

OTHER ITEMS - included in Internal Audit plan for 2011-2012.

<u>Retention of Documents</u> – A policy based on NALC LTN 40 has been drawn up, and work is ongoing in relation to historic documents to retain/dispose in accordance with the policy.

Emails held on the server are covered by ESCC policy.

<u>Golf Course procedures, Financial and H&S</u> – Satisfactory procedures are in place to maximise income, although current system is lacking in ability to provide full management information. Council will await Clubhouse project before taking action to improve system.

Monthly monitoring of trends of income over a three year rolling period is carried out.

The Direct Debit system for subscriptions, now taken in-house, works well, with non-payers advised to STC by the Bank.

Golf Clubhouse project – A revised scheme is being submitted to SDNP as a major application shortly. Lack of progress in this respect has impacted on income, particularly season ticket renewals, but this has been mitigated by a 15 month for 12 offer.

<u>Staff Appraisal & Training</u>—Town Clerk's appraisal has been done, and the rollout of the process to other staff will proceed in 2012-2013.

<u>Leases</u> – A system for ensuring lease renewals are dealt with in timely manner is now in place, and monitoring of tenants responsibilities to ensure their obligations are fulfilled is in hand.

<u>Vision Plan</u> – an embryonic plan is in place, and further work on visioning is expected to take place in June 2012.

**Code of Conduct** 

By:

Sam Shippen, Town Clerk

Wards Affected:

All Seaford wards

**Purpose of Report:** 

To advise on new code of conduct required to be adopted on,

or after 1 July 2012.

#### Recommendations

#### You are recommended:

- 1. To adopt the existing Seaford Town Council Code of Conduct for the period 1 July 2012 to 16 August 2012.
- 2. To consider the template Code of Conduct Documents available with a view to adopting a further Code of Conduct on 16 August 2012.

#### 1. Information

- 1.1 The Localism Act 2011 s26-37 and Schedule 4 contain provisions which will replace the existing Standards Framework including Code of Conduct. Government have announced that changes will be enacted from 1 July 2012, which will require the Council to adopt a new Code of Conduct from this date.
- 1.2 NALC has published a Legal Topic Note (LTN 80) which is attached at Appendix A for information.
- 1.3 From 1 July, the Town Council is free to adopt any code that it wants, subject to such a code satisfying the requirements of s28 of the Localism Act 2011.
- 1.4 Illustrative texts have been produced nationally by both the Local Government Association (LGA) and the Department for Communities and Local Government (CLG) both of these are attached to NALC's Legal Topic Note for ease of reference.
- 1.5 NALC Legal view is that the LGA's template code of conduct does not usefully or concisely describe obligations regarding conduct.

- 1.6 NALC have also stated that unless the Town Council uses the NALC template, a copy of which I am sourcing via the Sussex Association of Local Councils (SALC) and will be circulated at or before the Council meeting, they will be unable to provide legal advice.
- Lewes District Council Monitoring Officer, Catherine Knight, has issued a template which is likely to be adopted by District Councils in Sussex, attached at Appendix B. Both SALC and LDC Monitoring Officer will be able to provide some legal advice should this code be adopted.
- 1.8 For the time being LDC have re-adopted their existing code of conduct in so far as it can be utilised. They will then consider the other codes and formally adopt a new code at the meeting of Lewes District Council in July 2012. As LDC Monitoring Officer will be responsible for having in place arrangements for investigating and deciding code of conduct complaints for Seaford Town Council, it may be prudent for this Council to follow the LDC code. She will also be responsible, as now, for maintaining the registration of interests, as well as a new requirement to publish the register on LDC website and provide this Council with the information for publication on our website, the practicalities of which have not yet been discussed.
- 1.9 As there are a number of as yet unknowns, I would recommend that Council consider the various template codes and consider which the Council prefers and to provide direction to the Town Clerk for preparation of a code for presentation to Council in August.
- 1.10 I further recommend that we adopt our existing code as an interim measure with a view to adopting a new code at the Council meeting to be held on 16 August 2012 in order to have the full information available to make an informed decision.

APPENDIX A.

# Legal Topic Note

May 2012

# Members' conduct and the registration and disclosure of their interests (England)

#### Introduction

- 1. The Localism Act 2011 ('the 2011 Act') received royal assent on 15 November 2011. It contains new provisions to replace the standards framework previously established by the Local Government Act 2000 ('the 2000 Act') and subsequent secondary legislation, which, in the future, will regulate parish councillors' conduct, disclosure of interests and how complaints about their conduct will be handled. The 2011 Act also introduces a range of new criminal offences in respect of the registration and disclosure of certain interests and related participation in discussions and voting at meetings. Not all of the relevant provisions in the 2011 Act are in force yet and relevant secondary legislation has not yet been made.
- 2. This Note summarises the legislative changes introduced by the 2011 Act and explains how parish councillors' conduct and interests will be monitored and enforced. It is anticipated that these changes will take effect on 1 July 2012.
- 3. The relevant new provisions in the 2011 Act are contained in sections 26 37 and Schedule 4 to the 2011 Act. Schedule 4 amends many provisions contained in the 2000 Act and consequential regulations which govern the present framework in respect of conduct and the disclosure of interests.
- 4. The new provisions in the 2011 Act apply to both members and "co-opted members" of "relevant authorities". A "co-opted member" is defined in s. 27 (4) of the 2011 Act as a person who is not a member of the relevant authority but who is either a member of any committee or sub-committee of the authority, or a member of, and represents the authority on, any joint committee or joint sub-committee of the authority, and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee. "Relevant authorities" which are defined in s. 27(6) of the 2011 Act include district, county, London Borough and parish councils, fire and rescue authorities, economic prosperity boards, National Park authorities, the Broads Authority

and Police Authorities in England and Wales (until their abolition and replacement by Police and Crime Commissioners).

#### **Background**

- 5. The present legislative framework in relation to conduct was established by the 2000 Act and subsequent regulations. Pursuant to ss.49 and 50 of the 2000 Act, the Secretary of State issued regulations to prescribe the Ten General Principles of Conduct and a Model Code of Conduct for members and co-opted members of local authorities including parish councils. Parish councils have, at present, a duty to adopt the mandatory provisions of the prescribed model code of conduct. The Secretary of State's powers to specify the principles which govern the conduct of members and co-opted members and to prescribe the mandatory provisions in a code of conduct will be repealed by para 8(2) of schedule 4 to the 2011 Act.
- 6. At present pursuant to ss. 53, 54 and 55 of the 2000 Act, district and unitary authorities must have a standards committee whose functions include promoting and maintaining high standards of conduct by the members of parish councils in the authority's area, determining code of conduct complaints and imposing sanctions which include suspension from office. In future, pursuant to paras 8(1) and 15 of schedule 4 to the 2011 Act, a district and unitary authority will no longer have a duty to establish a standards committee with the above functions. These changes are due to take effect on 1 July 2012.
- 7. Pursuant to s.57 and Schedule 4 of the 2000 Act, the Standards Board for England (also known as Standards for England (or SfE)) was a statutory body established to provide guidance about councillor conduct and to investigate and determine code of conduct complaints referred to it by principal authorities. The SfE's functions of issuing guidance and handling complaints ceased on 31 January 2012. The SfE was abolished on 1 April 2012.

#### Transitional arrangements

8. After 31 January 2012, code of conduct complaints that were being investigated by the SfE were transferred back to the relevant principal authority for completion.

9. The remaining elements of the current standards framework, including the powers of standards committees to suspend members from office and the power of the First Tier Tribunal to suspend and disqualify members from office are due to be abolished.

## New statutory standards framework (expected to take effect on 1 July 2012)

### New code of conduct

- 10. S. 27 of the 2011 Act provides that every relevant authority in England (defined in paragraph 4 above) including a parish council is under a duty to promote and maintain high standards of conduct by its members and co-opted members (defined in paragraph 4 above) and that in doing so it must adopt a code of conduct that is expected of them when they are acting in that capacity. This code of conduct will not apply to members and co opted members in their private life.
- 11. In accordance with s.28 of the 2011 Act, every relevant authority must adopt a code of conduct which:
  - i. is consistent with the Nolan principles of conduct in public life which are selflessness, integrity, objectivity; accountability; openness; honesty; and leadership and
  - ii. includes provisions which the authority considers appropriate in respect of the registration and disclosure of 'pecuniary interests' and 'interests other than pecuniary interests'.

The 2011 Act provides no definition of pecuniary or non-pecuniary interests and this may result in local variations.

12. The impending revocation of the current prescribed model code of conduct with mandatory provisions means that a relevant authority including a parish council is free to adopt any code of conduct that its wants subject to such code satisfying the requirements of s.28 of the 2011 Act. On 11 April 2012, Bob Neill MP, the Local Government Minister, wrote to the leaders of all principal authorities giving them an illustrative text for a new 'lighter touch' code of conduct which a local authority could adopt under the 2011 Act. Mr Neill's letter can be accessed from the Department of Communities and Local Government's (CLG) website using the following link at <a href="http://www.communities.gov.uk/news/localgovernment/2128928">http://www.communities.gov.uk/news/localgovernment/2128928</a>. For ease of reference CLG's example of a local authority's new code of conduct is set out in Appendix 1 to this Note.

S.27 (3) of the 2011 Act provides that a parish council may if it chooses adopt the code of conduct that has been adopted by its principal authority. Pursuant to s.29 (9), a principal authority for a parish council is the district council for its area or otherwise it will be the county or London Borough council. It is anticipated that principal authorities will, guite sensibly, encourage the parish councils in their areas to adopt the code of conduct adopted by them. This is because they will be responsible for handling and determining code of conduct complaints which relate to members and co-opted members of parish councils in their area (see also paragraph 14 below) and they will not want to deal with different codes adopted by parish councils. Between January and April 2012, the Local Government Association (LGA) which represents the interests of principal authorities worked with NALC and other bodies representing those in local government with the intention of producing a template code of conduct that all local authorities could also use. In April, the LGA decided upon the template code of conduct which is set out in Appendix 2 to this Note. The LGA's template code of conduct is compliant with the Nolan principles and can be amended to suit a particular authority's needs. However NALC does not recommend that parish councils use the LGA template. In NALC's view, the LGA's template code of conduct does not usefully or concisely describe obligations regarding conduct. With reference to paragraph 11 above, the LGA template does not include any pecuniary and non pecuniary interests. NALC has produced a template code of conduct for parish councils that do not want to (i) devise their own or (ii) adopt their principal authority's code of conduct. To access NALC's template code of conduct, please see NALC's Legal Briefing ref L08-12. NALC's template code of conduct cannot be finalised until regulations which define the "disclosable pecuniary interests" referred to in paragraphs 24-28 below, have been made. NALC recommends that a parish council uses the NALC template code of conduct. NALC is unable to provide advice on other codes of conduct being considered by parish councils.

## Handling of code of conduct complaints.

14. S. 28 of the 2011 Act requires a relevant authority except a parish council to have in place arrangements to investigate and determine allegations that its members and coopted member have failed to comply with its code of conduct. The principal authority is responsible for investigating and deciding code of conduct complaints which relate to parish councillors in their area. S.28(4) confirms that a failure to comply with the code of conduct must be dealt with in this way. Parish councils cannot investigate and determine code complaints. If the principal authority decides that a member or co-

opted member of a parish council has breached its code of conduct, the parish council cannot take any action itself. See also paragraphs 20 and 21 below.

- With the exception of the requirement as to the appointment and role of at least one independent person, (see paragraph 17 below) the 2011 Act does not prescribe the arrangements for principal authorities to have in place for the investigation and determination of code of conduct complaints. It is likely that most principal authorities will delegate these responsibilities to a committee or officers pursuant to s.101(1) of the Local Government Act 1972 ('the 1972 Act'). A committee with responsibility for code of conduct matters appointed after 1 July 2012 would be appointed pursuant to ss. 101 and 102 of the 1972 Act. As with any committee of a principal authority, it will be subject to the rules for proportional representation of different political groups set out in ss.15 - 17 of the Local Government and Housing Act 1989. It will also not be required to include in its membership the members of any of the parish councils for which the principal authority is responsible. A principal authority may co-opt parish council members onto this committee but they will have no voting rights unless they are also a member of the principal authority appointed to the committee as a principal authority representative. Principal authorities may also arrange for their Monitoring Officers to decide whether a code of conduct complaint that it receives merits investigation. This may enable the more minor or 'tit-for-tat' complaints to be taken out of the system.
- 16. The 2011 Act does not give principal authorities express powers to undertake investigations or to conduct hearings (any such action required would be implied as appropriate). Similarly they have no express powers to require access to documents and information or to require members or officers to attend interviews, or to require the member to attend a hearing. For many authorities, the extent of any such arrangements may be limited by resources.
- 17. Pursuant to s.28 (7) of the 2011 Act, a principal authority must appoint at least one independent person. The independent person must be consulted and his/her views taken into account before a principal authority takes a decision on a complaint it has decided to investigate. The independent person may be consulted by the principal authority in other circumstances. A member of the principal authority or a parish council who is the subject of an allegation for failure to comply with his/her authority's code of conduct may also consult the independent person.

- 18. Independent persons are appointed by advertisement and subsequent application. Pursuant to s.28(8), an independent person cannot be a member or officer of the principal authority or of any parish council within the principal authority's area or a close friend or relative of such person. They can be paid an allowance or expenses connected to their appointment. S.28 (8) (d) provides that a person does not cease to be independent merely because such payments are made.
- 19. A person cannot be appointed as an independent person if he/she has within the past 5 years been a co-opted voting member of a committee of the authority. This means that all existing independent co-opted members of standards committees, mandatory before 1 July 2012, are ineligible to be appointed as an independent person. The Government has received representations from principal authorities that want to appoint an independent member of their presently mandatory standards committee as their independent person under s.28 (7) of the 2011 Act because of their experience and because the recruitment of an independent person who satisfies the criteria of s.28 may be difficult. The Government is therefore considering making a transitional provision which permits a principal authority to appoint a person as an independent person who, although not a member or chairman of an existing standards committee at the time of appointment (or thereafter), has held such a post within the last five years. This transitional provision would apply for the first year of the new arrangements (i.e. until 30 June 2013), and any person appointed under the transitional provisions would be able to continue to hold office after the transitional period, for whatever term the principal authority saw fit.

#### Breach of code

- 20. If a member or co-opted member is found to have failed to comply with his/her authority's code of conduct, the 2011 Act does not specify what sanctions can be imposed in respect of the breach. A member cannot be suspended or disqualified from office and the 2011 Act confers no express powers to impose alternative sanctions, such as requiring a member to apologise or attend training. The imposition of a sanction is a matter for the principal authority rather than the parish council. Accordingly, other than censuring or naming and shaming, a principal authority cannot enforce sanctions in respect of members of parish councils in their area.
- 21. S.28 (4) of the 2011 Act makes clear that a council decision is not invalidated because 'something that occurred in the process of making the decision involved a failure to comply with the code.'

## Register of Interests

- 22. Pursuant to s.29 of the 2011 Act, a Monitoring Officer of the principal authority must establish and maintain a register of interests of the members and co-opted members of the parish councils in its area. The 2011 Act does not define 'interests'. With reference to paragraph 11 of this Note a parish council's code of conduct must include provisions which it considers appropriate in respect of the registration of pecuniary interests and non-pecuniary interests. The leaves scope for considerable local variation. The type and scope of pecuniary and non-pecuniary interests is currently being considered by NALC, LGA and others in their development of a template code of conduct (see paragraph 13 above).
- 23. The Monitoring Officer must ensure that every parish council's register of interests of its members and co-opted members is available for inspection at all reasonable hours at a place in the principal authority's area. The principal authority must also publish the register of interests of the members and co-opted members of the parish councils on its website (s.29 (6) of the 2011 Act). A parish council with a website must publish the register of interests of its members and co-opted members and the Monitoring Officer must provide the parish council with this information (s.29 (7)).

## Disclosure of interests upon taking office

24. Pursuant to s.30 of the 2011 Act, a member and a co-opted member of a parish council must within 28 days of becoming a member or co-opted member notify the Monitoring Officer of any "disclosable pecuniary interests". Upon re-election or reappointment, the member or co-opted member must also within 28 days notify the Monitoring Officer of "disclosable pecuniary interests" not already included in his or her register of interests. The Secretary of State will prescribe by regulation what constitutes a "disclosable pecuniary interest". S.30 (3) confirms that these will relate to a member and a co-opted member's interests and his/her spouse or civil partner or the person with whom he/she lives as if they were a spouse or civil partner. When notification of a disclosable pecuniary interest is received by the Monitoring Officer, it will be entered into that person's register of interests. Failure to register a "disclosable pecuniary interest" will be a criminal offence. See also paragraph 31 below.

25. Pursuant to s. 32(1), of the 2011 Act, a member or co-opted member of a parish council may ask the Monitoring Officer to exclude from his/her register of interests sensitive interests which may include disclosable pecuniary interests the details of which, if disclosed, might lead to a threat of violence or intimidation to him/her or to a person 'connected' with him/her.

## Disclosure of interests at meetings

- 26. Pursuant to s. 31(4) of the 2011 Act, if a member or co-opted member of a parish council is aware that he/she has a disclosable pecuniary interest in a matter, he/she is barred from participating in any discussion or voting on the matter at the meeting. Participation in the discussion or voting on that matter is a criminal offence under s.34. (see also paragraph 31 below). Members of the public attending meetings might not be aware of a member's interest in a matter under debate unless he/she had also previously inspected the authority's register.
- 27. Pursuant to s.31(2) and (3) of the 2011 Act, if a member or co-opted member is aware of a "disclosable pecuniary interest" (see paragraph 24 above) in a matter under consideration at a meeting but such interest is not already on the authority's register of interests or in the process of entry onto the register having been notified to the Monitoring Officer, the member or co-opted member must disclose the disclosable pecuniary interest to the meeting and register it within 28 days of the meeting at which relevant business is considered. Pursuant to s.32 (3) a member or co-opted member with a sensitive interest (see paragraph 25 of this Note), must confirm at the meeting that he /she has a disclosable pecuniary interest, rather than giving details of that interest.
- 28. S.31 (10) of the 2011 Act provides that a relevant authority's standing orders may require members who have a disclosable pecuniary interest in a matter to withdraw from the meeting room while any discussion or vote on it takes place. If a relevant authority has not adopted such standing orders this means members may remain present and arguably, through their presence, be able to influence other members during the discussion and voting. A member with a disclosable pecuniary interest who fails to withdraw from a meeting as required by his/her council's standing orders does not commit a criminal offence. If a council wanted to sanction a member with a disclosable pecuniary interest for not leaving the meeting room as required by its

- standing orders, it could rely on its other standing orders to vote to exclude such a member from the meeting.
- 29. As explained in paragraph 11 above, the code of conduct that is adopted by a relevant authority including a parish council may include an obligation on members and co – opted members to disclose pecuniary and non-pecuniary interests at meetings. There is no criminal sanction for failing to disclose such interests even if disclosure is required by the authority's code of conduct.

## Dispensations

- 30. S.33 of the 2011 Act permits a member or co-opted member of a parish council with a disclosable pecuniary interest to submit a written request to the proper officer at the parish council for the parish council to grant a dispensation to relieve him/her of the restrictions in s. 31(4), namely to participate in a discussion or vote on a matter in which he/she has a disclosable pecuniary interest. A parish council may grant a dispensation if having had regard to all relevant circumstances, it considers that;
  - without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business;
  - b) granting the dispensation is in the interests of persons living in the authority's area.
  - c) it is otherwise appropriate to grant a dispensation.

### Criminal offences

31. Under 34 of the 2011 Act, failure to register a disclosable pecuniary interest within 28 days of election or co-option (or re-election or re-appointment), or the provision of false or misleading information on registration, and participation in discussion and voting in a meeting on a matter in which the member or co-opted member has a disclosable pecuniary interest will be criminal offences, potentially carrying a Scale 5 fine of £5000 and/or disqualification for up to five years. Prosecution is at the instigation of the Director of Public Prosecutions.

You are a member or co-opted member of the [name] council and hence you shall have regard to the following principles – selflessness, integrity, objectivity, accountability, openness, honesty and leadership.

Accordingly, when acting in your capacity as a member or co-opted member -

You must act solely in the public interest and should never improperly confer an advantage or disadvantage on any person or act to gain financial or other material benefits for yourself, your family, a friend or close associate.

You must not place yourself under a financial or other obligation to outside individuals or organisations that might seek to influence you in the performance of your official duties.

When carrying out your public duties you must make all choices, such as making public appointments, awarding contracts or recommending individuals for rewards or benefits, on merit.

You are accountable for your decisions to the public and you must co-operate fully with whatever scrutiny is appropriate to your office.

You must be as open as possible about your decisions and actions and the decisions and actions of your authority and should be prepared to give reasons for those decisions and actions.

You must declare any private interests, both pecuniary and non-pecuniary, that relate to your public duties and must take steps to resolve any conflicts arising in a way that protects the public interest, including registering and declaring interests in a manner conforming with the procedures set out in the box below.

You must, when using or authorising the use by others of the resources of your authority, ensure that such resources are not used improperly for political purposes (including party political purposes) and you must have regard to any applicable Local Authority Code of Publicity made under the Local Government Act 1986.

You must promote and support high standards of conduct when serving in your public post, in particular as characterised by the above requirements, by leadership and example.

## Registering and declaring pecuniary and non-pecuniary interests

You must, within 28 days of taking office as a member or co-opted member, notify your authority's monitoring officer of any disclosable pecuniary interest as defined by regulations made by the Secretary of State, where the pecuniary interest is yours, your spouse's or civil partner's, or is the pecuniary interest of somebody with whom you are living with as a husband or wife, or as if you were civil partners.

In addition, you must, within 28 days of taking office as a member or co-opted member, notify your authority's monitoring officer of any disclosable pecuniary or non-pecuniary interest which your authority has decided should be included in the register.

If an interest has not been entered onto the authority's register, then the member must disclose the interest to any meeting of the authority at which they are present, where they have a disclosable interest in any matter being considered and where the matter is not a 'sensitive interest'.<sup>1</sup>

Following any disclosure of an interest not on the authority's register or the subject of pending notification, you must notify the monitoring officer of the interest within 28 days beginning with the date of disclosure.

Unless dispensation has been granted, you may not participate in any discussion of, vote on, or discharge any function related to any matter in which you have a pecuniary interest as defined by regulations made by the Secretary of State. Additionally, your must observe the restrictions your authority places on your involvement in matters where you have a pecuniary or non pecuniary interest as defined by your authority.

<sup>1</sup> A 'sensitive interest' is described in the Localism Act 2011 as a member or co-opted member of an authority having an interest, and the nature of the interest being such that the member or co-opted member, and the authority's monitoring officer, consider that disclosure of the details of the interest could lead to the member or co-opted member, or a person connected with the member or co-opted member, being subject to violence or intimidation.

## **APPENDIX 1**

### The Seven Principles of Public Life

### Selflessness

**1.** Members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.

## Integrity

2. Members should not place themselves in situations where their integrity may be questioned, should not behave improperly and should on all occasions avoid the appearance of such behaviour. Members should show integrity by consistently treating other people with respect, regardless of their race, age, religion, gender, sexual orientation, disability or position, for example as an officer or employee of the authority.

## Objectivity

**3.** Members should make decisions in accordance with the law and on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefits.

## Accountability

**4.** Members should be accountable to the public for their actions and the manner in which they carry out their responsibilities, and should cooperate fully and honestly with any scrutiny appropriate to their particular office.

### Openness

**5.** Members should be as open as possible about their actions and those of their authority, and should be prepared to give reasons for those actions.

### Honesty

**6.** Members should not place themselves in situations where their honesty may be questioned, should not behave dishonestly and should on all occasions avoid the appearance of such behaviour. Members should declare any private interests relating to their public duties and take steps to resolve any conflicts arising in a way that protects that public interest.

### Leadership

7. Members should promote and support these principles by leadership, and by example, and should act in a way that secures or preserves public confidence.
