

MILES WITHOUT STILES

TRAILS SUITABLE FOR PEOPLE WITH IMPAIRED MOBILITY, WHEELCHAIRS, MOBILITY SCOOTERS AND PUSH CHAIRS

SEAFORD HEAD

Offering spectacular views over Cuckmere Haven and the Seven Sisters, this leaflet gives users the choice of three routes.

The two Access for All routes are on hardstanding surfaced paths which are wide enough for two mobility vehicles to pass. The circular route (A) is relatively level, a short distance and offers several benches at key viewpoints.

The linear route (B) with a turning point at the terminus has a slight incline, though this affords better views over the coast.

The Access for Some trail (C) is a circular route along a surfaced path to the coastguard cottages which then continues along a well maintained public right of way along the coast and joins back up with the original path. There are some benches along the route.
