Planning Policies covered by Lewes Local Plan for the site	<p>Outside planning boundary CT1 (Planning Boundary and Key Countryside Policy) SDNPA policies apply SF11 (Bishopstone Conservation Area) - Planning permission will not be granted for any development which would detract from the isolated character of Bishopstone village and its downland setting in the Bishopstone valley as shown on Inset Map No 4. No further development will be allowed to intrude into the valley or the ridgelines around the valley.</p>
Suitability	<p>Landscape Capacity Study by Lewes District Council and South Downs National Park Authority September 2012 http://www.lewes.gov.uk/Files/plan_LCS_2012.pdf Concludes Bishopstone/Norton Valley as follows: Landscape Value: Very High</p>

	<p>Landscape Sensitivity: High Landscape Capacity: None Development along the King's Hedge along the south eastern side of the site would not breach the ridgeline so would have no impact on the Bishopstone/Norton Valley.</p>
Achievability & Availability	<p>Site put forward by owner in response to Call for Sites. Email from Anne Kaye 20.2.17 "Following on from our meeting last week, I'd like to confirm that my sister, Carol Willey, my brother, James White and myself are happy to take advice on the possible unit numbers and type of development at the site of Wayfields, Grand Avenue in Seaford. We recognise that there will be a need for a percentage of affordable housing with the majority of units likely to be family housing. If there is anything we can do, at this stage, to further promote the site for development please don't hesitate to contact me."</p>

<p>Further Comment from statutory bodies</p>	<p>Met with Sarah Nelson, Strategic Planning Lead, SDNPA on 26.1.17. She confirmed that:</p> <ul style="list-style-type: none"> • All other opportunities must be explored before SDNPA will consider development within the Park • SDNPA revised policies will have stronger emphasis on landscape – particularly relevant to this site is: Landscape Character (SD5), Safeguarding Views (SD7), Relative Tranquillity (SD8) and Dark Night Skies (SD9).
<p>Summary views from residents (would they support this site?)</p>	<p>192 responses from the 11th July 2017 drop in event. The majority related to objections about development at Grand Avenue.</p>
