The Town Council meetings are being held at Seaford Baptist Church as the meeting space allows for safe distancing of participants, as well as the required equipment to livestream meetings.

In addition to the safety measures being taken in the venue itself, there are steps that you can take to protect yourself and the other participants:

- Do not attend the meeting if you are displaying any Covid-19 symptoms; a high temperature, a new continuous cough or a loss or change to your sense of smell or taste (source <u>NHS website</u>); or if there is any reason to believe you have been in contact with someone with Covid-19.
- Unless you have a valid medical exemption, you will be required to wear a mask when in the venue. Failure to do so could result in your being removed from the meeting.
- The Town Council would encourage anyone attending the meeting in person to have carried out a rapid lateral flow coronavirus test before attending. These are tests taken at home, giving you an instant result, and ordered for free from the <u>Gov.uk website</u> or by calling 119 (open 7am to 11pm, calls are free).
- 4. If you test positive, do not attend the meeting; you will need to self-isolate immediately and follow the advice on the <u>NHS website</u>.
- 5. Touch as few shared surfaces as possible when at the meeting and bring your own supplies (reusable water bottles, pens, tissues, copies of agendas etc).

Report No:	42/21
Agenda Item No:	4
Committee:	Finance & General Purposes
Date:	21 <sup>st</sup> July 2021
Title:	Grant Applications 2021-2022
By:	Lucy Clark, Finance Manager
Purpose of Report:	To consider and approve the grant requests received.

## Recommendations

The Finance & General Purposes Committee is recommended:

1.To consider and approve the grant requests detailed in Appendices A and B as recommended by the working group.

## 1. Information

- 1.1 The Town Council's Discretionary Grant Scheme for 2021-2022 opened on 6<sup>th</sup> April 2021, offering local community groups, charities, or voluntary organisations the opportunity to apply for a financial grant from the Town Council.
- **1.2** There are two types of grants available. Small grants for up to £500 and large grants for over £500 and up to a maximum of £3,000.
- **1.3** The closing date for all applications and supporting documents to be returned was midday on 11<sup>th</sup> June 2021.
- **1.4** The grants scheme is promoted via press releases, the Town Council's website and Facebook, advising those who may wish to apply to download an application form direct from the Town Council's website.
- 1.5 The 2021-2022 approved budget for both small and large grants is £15,000. A further £5,000 has now been set aside for the Citizens Advice

Bureau who are now in three-year funding agreement with the Town Council.

- **1.6** 21 applications were received overall with a total grant request of £40,099.
- 1.7 The Grants Working Group, open to all members of this Committee, met on 29<sup>th</sup> June 2021 via Zoom to review the applications received. Full applications and supporting documents were made available to all Committee members for consideration prior to this meeting.
- **1.8** The working group were able to assess each application individually and take time to consider each application in conjunction with the Town Council's Discretionary Grants Policy.
- **1.9** Following this process, the working group recommends that the large grants are awarded as per Appendix A totalling £13,014 and the small grants are awarded as per Appendix B totalling £900.
- **1.10** When considering all the applications both large and small, the working group did so in full recognition of the Town Council's Discretionary Grants Policy. Given the limited funds available, the Committee gave careful consideration to those organisations who exist for the sole benefit and pleasure of their members. In addition, some grants had to be turned down with others being reduced.

## 2. Financial Appraisal

2.1 The budget allocated for all grants is £15,000. The total amount requested is £40,099. The recommendation is to award a total of £13,914 which would leave £1,086 remaining to either be allocated at this meeting or returned to the General Reserve.

Approx 35/38% of Seaford residents.	£ 2,000.00	£ 2,000.00	It is recommended to give the full amount as they provide a worthwhile service, their drivers are all volunteers and their service is free with a good % of Seaford residents benefitting.

A total of 25 (6 families).	£ 1,500.00	£ 1,000.00	It is recommended to award £1,000. It was considered not to be a necessity so it was agreed that the amount of £450 would be awarded for the chairs only as some of the groups they have in mind to use the facility would not require tables.
Newhaven Lifeboat Station	Towards Newhaven Station running costs including crew kit, training, repairs and maintenance of the station and boat.	All residents using the coast are protected by the local lifeboat if in danger.	£ 3,000.00	£ 1,500.00	It is recommended that the amount of £1,500 be awarded provided it can be proven that an award would go direct to the Newhaven site and not the national pot. (An email has since been received and forwarded to the F&GP committee which would appear to evidence this).
SCIP	Towards costs of the 2022 'Beacon Show'; an outdoor exhibition of 10 contemporary illustrative art pieces stretched across the Seaford seafront running from May - Sep 2022 but where work will start from October 2021.	Approx half of Seaford's population (12,000) are expected to view the exhibition with a further estimated 5,000 visitors boosting local income to Seaford's shops and cafes. A total of 690 people including children will be participating in workshops, guided walks and competitions all with Seaford related themes.	£ 3,000.00	£ -	It was recommended not to award anything this time as a grant in kind has already been given by allowing free use of the promenade for the duration of the exhibition.
SeeAbility (Royal School for the Blind)	To support our 'Powering Resilience Project' which supports mental wellbeing by addressing immediate needs and building resilience of people we support including colleagues so as to remain strong following the coronavirus.	In Seaford, there are a total of 14 people who will directly benefit from the Powering Resilience project.	£ 3,000.00	£ -	It is recommended not to award any grant this year as whilst Seaford residents benefit, it is a national charity who have more funds than Seaford Town Council. There was some debate on whether a grant would attribute to staff costs. Funds have been awarded in previous years so this year it was decided to focus on more local groups.
Seaford Bonfire Society	To assist with the ever increasing cost of event insurance, provision of medical emergency presence, event security, safety fencing and traffic management.	It is estimated that 9,500 local residents of all ages.	£ 3,000.00	£ 1,100.00	It is recommended that the amount of £1,100 be awarded would be towards the first aid cover and only if the event this year was to go ahead.
Seaford Cricket Club	To purchase a custom made Boundary Rope Trolley as the current trolley is falling apart and it's a struggle for the groundsman to manoeuvre.	The majority of our 250 members are from Seaford.	£ 1,000.00	£ 864.00	It is recommended to award £864 on the condition it can be evidenced that the balance needed can be sought.

Only £720 of this has currently been secured.
St Wilfrid's Hospice	To buy 20 diagnostic kits for community nurses working in Seaford. # Finance & General Purposes Committee Variance Reporting 21/07/2021

		Current Update
201	Administration	
1176	Precept	<b>21.07.21</b> - The Precept cost centre has been moved to 201 so now shows within this Committee. The first half was received in April with the 2nd half due in September.
1190	Interest Received	<b>21.07.21</b> - The interest shown relates to April and May. The annual income will be significantly lower than the annual budget due to interest rates plummeting since the budget was set. It is likely to only achieve around 15% of the budgeted income by the end of 2021.
4112	Subscriptions	<b>21.07.21</b> - This account code shows a high percentage of expenditure due to most subscription costs being paid out in the first couple of months of the financial year.
4113	Software Support	<b>21.07.21</b> - This account code shows a high percentage of expenditure due to the annual Schools ICT costs which are paid in April each year.
4115	Insurance	<b>21.07.21</b> - The insurance costs show a high percentage of expenditure as all of this is charged in April. It is likely that a saving will be made in this account by the year end. (This will relate to all cost centres that show insurance costs).
4157	Audit Fees	<b>21.07.21</b> - This account is showing a credit due to the accrual from the 2020-2021. We do not receive the External Audit fees for 20/21 until September 2021.
210	Civic Expenses	
	Room Hire	<b>21.07.21</b> - This account shows the unbudgeted cost of venue hire and
		related costs that had to be spent to enable the Town Council to conduct its meetings within the legal requirements following the change in law in May.
4183	Civic - Awards	<b>21.07.21</b> - This account is showing a credit due to the accrual from 2020-2021.

1. To note the contents of the report

## 1. Summary

- 1.1 The last financial year (2020 2021) has been very difficult for the Town Council as a whole but the F&GP Committee's budget has been the least affected.
- **1.2** Attached as Appendix 1 is the income and expenditure report for this Committee showing the final year end (2020 2021) figures.
- 1.3 Overall, the Committee income was £20,161 more than budgeted, which included £22,799 received in government grants for furlough. Expenditure was £8,820 less than budgeted.
- **1.4** The actual spend was £544,549 more than received in income, which was £28,981 less than budgeted.

## 2. Budget Information

**2.1** The significant variances for the individual cost centres are reported on below.

## 2.2 Administration (201)

- (a) 1053 Income Grants income received in furlough.
- (b) 1190 Interest Received is less than expected due to overall income being £672,000 less than expected and interest rates being very low.
- (c) 4000 Salaries & Wages/4001 Employers NI were above budget due to staff changes in the year.
- (d) 4002 Employers Superannuation was lower than budgeted due to staff leavers.
- (e) 4113 Software Support this was over budget due to the Dell Server Warranty, Zoom subscriptions and additional SIRAS accounts to enable home working.
- (f) All costs were kept to a minimum with only essential spend, therefore there are small savings against most budgets.
- 2.3 Premises- Church Street (205)
  - (a) 1050 Income Rent now includes a proportion of the service charge.
  - (b) 4051 Rates were budgeted at 2019-2020 rates plus inflation, after the budget had been set for 2020-2021 Lewes District Council informed that the amount was incorrect, hence the overspend.
  - (c) 4059 Church Street Service Charge was lower than expected as staff were not working in the offices, resulting in reduced cleaning and utilities.
- 2.4 Premises-Hurdis House (206)
  - (a) 4155 Professional Fees relate to professional charges and valuations for buildings insurance and for rental purposes due to a change of use.
  - (b) 4301 Public Works Loan Payment the capital part of the loan payment (£11,357) has been taken from the Capital Receipts Reserve.
- 2.5 Civic Expenses (210)
  - (a) There are many underspends on this cost centre due to the COVID-19 pandemic.
  - (b) The £12,000 budgeted to be earmarked was done so along with the £2,248 underspend from the previous year. This gives a balance of

£14,248 available in earmarked reserves towards the cost of the next elections.

Report No:	48/21
Agenda Item No:	8
Committee:	Finance & General Purposes
Date:	21 <sup>st</sup> July 2021
Title:	Cashless Parking Donations
By:	Karen Singleton, Responsible Financial Officer (RFO)
Purpose of Report:	To seek approval of a method for enabling online payments through the Town Council's website

### Recommendations

The Finance & General Purposes Committee is recommended:

- 1. To note the contents of the report.
- 2. To approve using Stripe to enable the receipt of online payments through the Town Council's website.
- To approve the associated costs of setting up Stripe on the Town Council's Website.

### 1. Information

- 1.1 Currently the Town Council has a physical donation point at South Hill Barn which generated £804 in 2019-2020 and £608 in 2020-2021. Officers would like to expand the donation options at this site and possibly other Town Council sites to offer a cashless donation option.
- 1.2 Having considered multiple options of online donation services, of which there are hundreds, officers are recommending the option of using Stripe, a bolt-on addition to the Town Council website, which can be set up to take online payments.

- **1.3** Stripe is a known and tested product that is used on many websites including other Town Councils. It is easy to administer and is recommended by the website developers as carrying less risk than other providers.
- **1.4** For a cashless donation to be processed, a member of public would open their smartphone, select their camera function, and then scan the QR code.
- 1.5 This would then take them to the Town Council website, where they could select the amount of money they would like to donate to park at South Hill Barn from a drop-down list.
- **1.6** This would then hit a back-end finance system (Stripe), which would immediately deduct the money from the account they choose to pay with (credit card, debit card, Paypal etc).
- 1.7 Stripe would pay the received funds into the Town Council's bank account on a monthly basis minus their fees (see paragraph 2.2). The finance team then log onto Stripe to get the breakdown of this income
- **1.8** If Stripe works successfully for this application then officers would recommend using Stripe to take payments for events, memorials and beach hut rentals.
- **1.9** Stripe has 3D secure authentication to verify the customers identity before the payment is made. Payment is taken immediately whereas some other providers have a delay.
- 1.10 The Payment Card Industry Data Security Standard (PCI DSS) applies to companies of any size that accept credit card payments. If the Town Council accepts card payments, then processes and transmits cardholder data, the data needs to be hosted securely with a PCI compliant hosting provider. Most providers charge for this. Stripe do not charge a PCI compliance fee; Stripe shoulders the PCI compliance burden by ensuring that the client never needs to handle sensitive card data.
- 1.11 Being able to receive income online will save officer time in administration and processing of payments received. Currently physical payments have to be manually taken, a receipt provided to the customer, money counted and taken to the bank. Online payments remove every single step for this and replaces it with a one to two minute process for payments.

# 2. Financial Appraisal

- 2.1 There is a development set-up cost with the website developers which is currently estimated at 7 hours at £75 per hour; total £525. This cost would not be exclusive to the cashless donation project, but across the online payments project. This cost will come from the Website budget code 4116/201. There is £310 contingency amount within this budget so this expenditure will put the code slightly over budget.
- 2.2 Stripe charges per transaction 1.4%+20p for European cards and2.9%+20p for non-European cards. The fees are deducted from the income received and the Town Council receives the net amount.
- **2.3** For comparison, PayPal charges 2.9%+30p per transaction.

Committee:	Finance & General Purposes
Date:	21 <sup>st</sup> July 2021
Title:	Members Allowance Policy Review
By:	Adam Chugg, Town Clerk
Purpose of Report:	To review the Town Council's Members Allowance Policy

### Recommendations

The Finance & General Purposes Committee is recommended:

1.To recommend to Full Council to adopt the Members Allowance Policy as presented with report 52/21.

## 1. Information

- **1.1** In line with the schedule of policy reviews, officers have reviewed the Town Council's Members Allowance Policy. This is presented at Appendix A.
- **1.2** There are no recommended changes to the policy. The rates for travel expense claims remain in line with those of HM Revenue & Customs, so do not require changing.
- **1.3** There has been no indication of a wish to review the Town Council's position of not offering its members an allowance for undertaking councillor duties, or a budget set aside within this financial year, and therefore this is not recommended to change.
- 1.4 Lewes District Council issues annual guidance, from its independent remuneration panel, about parish and town council allowances. The 2020 guidance is attached at Appendix B for information. This guidance sets out the maximum allowance that can be offered (based on a set of pre-agreed

calculations) and consultation responses from local councils within the Lewes District about allowances offered.

- **1.5** If Committee members do wish to change the Town Council's position regarding members allowances, it is suggested that officers would need to be instructed to research this further and present this information to a future Full Council meeting for consideration. It would also be advisable that any change in policy and payment of allowance could not take effect until the start of a future municipal year, to ensure this could be budgeted for accordingly.
- **1.6** Members may notice that formatting changes have been made to the policy, to make this document more accessible and reader-friendly this is the extent of the changes.

# 2. Financial Appraisal

**2.1** There are no direct financial implications as a result of this report.

#### Member's Allowance Policy

#### **Basic Allowance**

The introduction of The Local Authorities (Members' Allowances) (England) Regulations 2003 gave town and parish councils the ability to pay an allowance to local councillors in order to recognise the time and effort they put into their council duties. There is however no obligation to pay such allowances.

It is the policy of Seaford Town Council not to pay its elected members a basic annual allowance under the powers of the above regulations.

### **Members Travel Expenses**

The Local Authorities (Members' Allowance) (England) Regulations 2003 state that a council can provide a travel allowance to be paid for:

- 1. A meeting of the authority;
- 2. A meeting of some other body to which the authority make appointments or nominations;
- 3. A meeting of a committee or sub-committee of a body to which the authority make appointments or nominations;
- 4. A meeting which has both been authorised by the authority, a committee, or sub-committee of the authority or a joint committee of the authority and one or more other authorities, or a sub-committee of a joint committee and to which the representatives of more than one political group have been invited (if the authority if divided into several political groups) or to which two or more councillors have been invited (if the authority if not divided into political groups);
- 5. A meeting of a local authority association of which the authority is a member;
- Duties undertaken on behalf of the authority in pursuance of any standing order requiring a member or members to be present while tender documents are opened
- 7. Duties undertaken on behalf of the authority in connection with the discharge of any function of the authority conferred by or under any enactment and

empowering or requiring the authority to inspect or authorise the inspection of premises

- Duties undertaken on behalf of the authority in connection with arrangements made by the authority for the attendance of pupils at a school approved for the purposes of section 342 of the Education Act 1996
- 9. Any other duty approved by the authority in connection with discharging the duties of the authority or its committees or sub-committees.

In accordance with HM Revenue & Customs rates, it is the policy of Seaford Town Council that its members are entitled to claim back travel and mileage expenses at the following rates:

<u>Cars</u>: 45p/pm for the first 10,000 business miles in the tax year, 25p/pm thereafter <u>Motorbikes</u>: 24p/pm for the first 10,000 business miles in the tax year, 24p/pm thereafter

<u>Bicycles</u>: 20p/pm for the first 10,000 business miles in the tax year, 20p/pm thereafter

A mileage claim form must be completed and submitted to the Town Clerk, along with supporting documentation, for authorisation before payment is made. Travel expenses may not be claimed for travel within the town boundaries. Travel expenses may be claimed for use of public transport and/or accommodation where the most reasonable price has been sourced and upon receipts being produced.

Adopted: XXX 2021

Review: August 2025 or as rates change, whichever sooner

#### Report from the Parish and Town Councils Independent Remuneration Panel February 2020

#### 1. Introduction

The Parish Remuneration Panel was convened by Lewes District Council as the 'Responsible Authority' so required by the 2003 Regulations:

The Local Authorities (Members Allowances) (England) Regulations 2003 Statutory Instrument 2003 No. 1021 and the amendment – Statutory Instrument 2003 No. 1692

The Guidance issued on these regulations for Parish Allowances/ or Members of Parish Council is:

"91. Parish councils may choose to pay their members an allowance, known as 'parish basic allowance', to recognise the time and effort they put into their parish duties. There is no obligation on parish councils to pay such allowances. Each parish council may make an allowance available to its chair only, or to each of its members. Where all members receive an allowance, the amount payable to the chair may be different to that paid to other members, but otherwise the amount paid to each member must be the same. Parish basic allowance is a discretionary allowance. It may be paid in a lump sum, or at intervals throughout the year.

92. If a parish council wishes to pay a basic allowance, it should have regard to a recommendation from its parish remuneration panel. This is a panel set up to make recommendations to parishes in its area. The membership of a parish remuneration panel will be the same as the independent remuneration panel of the district or county council within whose area the parish is situated. The panel will make a recommendation as to whom basic allowance should be paid, and the level of the allowance."

(New Council Constitutions: Guidance on Regulation for Local Authority Allowances, DCLG, 2003)

#### 2. Terms of Reference

The Panel was asked to consider and make recommendations to Parish and Town Councils regarding:

- Basic Allowance
- Chairs Allowance
- Travel and Subsistence Allowance
- Indexing

### The Parish and Town Independent Remuneration Panel

The Parish Independent Remuneration Panel comprised of the same membership as the Independent Remuneration Panel which met on the **28<sup>th</sup>**, **29<sup>th</sup> and 30<sup>th</sup> January 2020** to review the allowances for Lewes District Council and Eastbourne Borough Council. The members of the panel are set out below:

The Panel comprised the following members:

- Mark Palmer, Development Director, South East Employers (Chair)
- Daphne Bagshawe, .MA JP, Consultant on Local Government
- Ian Buckingham, Management Consultant and Local Resident.

The Panel meeting was held in private session.

The report recommendations apply to the twenty-two Parish and Town Councils within the boundaries of Lewes District Council. The last review was undertaken in December 2003.

#### 3. Approach

All Parish and Town Councils were invited to provide views through a questionnaire that was sent to all twenty-two Councils and responses were received from fourteen of the Councils. A summary of the responses is included as Appendix 1. The Councils also had an opportunity to take part in an interview/ workshop session on the **29<sup>th</sup> January 2020**, the following Parish and Town Council representatives were interviewed as part of the review:

- Councillor Robinson, Telscombe Town Council
- Councillor Baah, Lewes Town Council
- Councillor Lamb, Lewes Town Council
- Councillor Catlin, Lewes Town Council
- Councillor Jordan, Chair, Chailey Parish Council

The Panel paid close attention to the Government Guidance in arriving at the recommendations.

#### 4. Arriving at the Recommendations

The Panel was of the view that whilst parish councillors did not stand for office for any financial reward, an allowance could actively support someone in the councillor role and that it was essential to be able to attract parish councillors from a wide range of backgrounds. Councillors should also not be out of pocket for undertaking the role.

The recommendations are based on the information provided from the responses to the questionnaire, the interviews and consideration was given to:

- Frequency of meetings
- The number of Committees

- Levels of responsibility and
- Hours worked

#### 5. Recommendations

#### **Basic Allowance**

The Local Authorities (Members Allowances) (England) Regulations 2003 Statutory Instrument 2003 No. 1021 state the basic allowance recommended by a Parish Independent Remuneration Panel can be for any amount up to 100 per cent of the Basic Allowance paid by Lewes District Council.

#### The Panel therefore recommends that those Towns and Parish Councils who feel that a basic allowance would be appropriate should be able to pay an amount up to 15% of the Basic Allowance of Lewes District Council.

The basic allowance for the Council for 2020/21 (and 2021/22) is £3,260 subject to any indexation; 15% of this is £489 per annum, subject to any indexation. This should in accordance with the statutory regulations only be paid to Councillors who are elected not those co-opted.

#### Chair's Allowance.

Should any Parish or Town wish to set an allowance for Chair, in addition to the civic and ceremonial allowance then the Panel is again given authority to award any amount up to 100 per cent of the basic allowance paid by Lewes District Council.

The Panel did both hear and receive responses in respect of the increasing levels of responsibility and hours worked by Chairs of the Councils.

The Panel therefore recommends that those Town and Parish Councils who feel that a chair's allowance is appropriate should be able to pay an amount up to 30% of the Basic Allowance for Lewes District Council

The recommended Chair's Allowance is therefore any amount up to £978, 30% of the proposed Basic Allowance for Lewes District Council.

#### 6. Travel and Subsistence.

The Panel recommends that the Parish and Town Councils should pay Travel and Subsistence Allowances in line with those agreed as part of the Members Allowances Schedule for the District Council.

#### Indexation of Allowances

The indexation of the allowances paid to Members of the Parish and Town Councils should be in accordance with the indexation applied to Members Allowances at the District Council. The recommended approach to indexation is in line with the District Councils annual staff salary increase when applicable.

#### Forgoing Allowances.

A Councillor may choose not to receive all or part of any allowance to which they would otherwise be entitled. To do so they must give written notice to the proper officer of the Parish/Town Council.

#### Publicity

With regard to the allowances, the Panel recommends that the Town and Parish Councils act in accordance with the following guidance (Section 5, Paragraph 30 of the Regulations (SI2003 No. 1021):

"Parish councils are required to publicise their allowances in a notice or notices conspicuous in their area. These notices must remain in place for at least 14 days. In addition, they must make a record of the allowances they have paid available for inspection at reasonable notice. They must provide copies of this record on request and may charge a reasonable fee for this. Parishes must also publish details of the parish remuneration panel reports. Again, these are minimum requirements, and parish councils may wish to go further in making local people aware of their allowances scheme and payment levels. For- example they may wish to circulate details of their allowances in the parish newsletter, if they have one, place them on a website, or publish them in one or more local newspapers."

The Panel recommends that the Town/Parish Clerk should also publicise the allowances scheme to all Parish and Town Councillors.

#### Implementation

The Panel recommends the new allowances should be implemented from April 2020. If a decision on allowances has not been made by Lewes District Council before the start of the new municipal year then allowances payable to Parish Councillors can be backdated to April 2020.

Date:	21 <sup>st</sup> July 2021
Title:	Gifts & Hospitality Policy Review
By:	Adam Chugg, Town Clerk
Purpose of Report:	To review the Town Council's Gifts & Hospitality Policy

### Recommendations

The Finance & General Purposes Committee is recommended:

1.To recommend to Full Council to adopt the Gifts & Hospitality Policy as presented with report 53/21.

## 1. Information

- **1.1** In line with the schedule of policy reviews, officers have reviewed the Town Council's Gifts & Hospitality Policy. This is presented at Appendix A.
- **1.2** There are a few minor changes to the policy, which are tracked within the attached appendix.
- **1.3** The main change is an addition to ensure that the policy makes mention to the financial tips received by staff at The View. Tips are recommended as being regarded as an 'appropriate gift' under the terms of the policy and therefore do not require entering on the Register of Gifts & Hospitality, which would be an unreasonable expectation to put upon the staff at The View.
- **1.4** The policy is reasonably large and detailed but is in place with two main purposes; to ensure transparency and also to protect both councillors and employees, ensuring adequate guidance and unambiguity as to how to handle offers of gifts and/or hospitality.

# 2. Financial Appraisal

**2.1** There are no direct financial implications as a result of this report.

# 3. Contact Officer

# **Gifts & Hospitality Policy**

### 1. Introduction

- 1.1 The purpose of this policy is to provide guidance for all councillors and Town Council employees when considering whether to accept gifts or hospitality from individuals or organisations as a result of their position with the Town Council and their duties and responsibilities to record this correctly.
- 1.2 The Town Council must ensure that all councillors and employees of the Town Council are aware that they should not use their position(s) with the Town Council for their own personal gain or for the personal gain of third parties (normally external companies and suppliers) to whom they have a professional/ business association.
- 1.3 To do so will be deemed gross misconduct in accordance with the Town Council's Disciplinary Procedure for an employee and may be found to be a breach of the Member's Code of Conduct where a councillor is concerned.
- 1.4 It is essential that members of the public have confidence in the integrity, impartiality and honesty of councillors and employees.
- 1.5 This policy covers all Town Council councillors and employees of the Town Council.

## 2. Code of Conduct

- 2.1 When councillors make their Declaration of Acceptance of Office they acknowledge in writing that they will comply with the Member's Code of Conduct; a copy of which all councillors have received.
- 2.2 The conduct expected of Town Council employees is clearly detailed in their contract of employment-and, the Town Council's Staff Handbook and within <u>Town Council policies.</u>-

### 3. General Caution

- 3.1 The Town Council's guidance is that any councillor or employee ought to treat any offer or gift, favour or hospitality with caution that is made, or may be perceived to have been made, in connection with their position as an officer or councillor.
- 3.2 The acceptance of gifts or hospitality is not always unlawful or inappropriate. The decision in every case is whether it is appropriate to accept any gift or

hospitality that might be offered to you, the source of the gift or hospitality and having regard to how it might be perceived.

3.3 If any councillor or employee has any doubt over whether or not to accept a gift or hospitality they should err on the side of caution and politely but firmly decline the offer if an immediate response is needed, or alternatively seek the advice of the Town Clerk.

#### 4. The Legal Position

- 4.1 It is a criminal offence to corruptly solicit or receive any gift, reward or advantage as an inducement to doing or forbearing to do anything in respect of any transaction involving the Town Council.
- 4.2 The onus would be on the individual to disprove corruption in relation to a gift from a person holding or seeking to obtain a contract from Seaford Town Council.

### 5. Definitions

- 5.1 For the purposes of this policy, the following definitions are implied:
  - a. A gift is defined as anything given, a present, either in or out of normal working hours, by suppliers or potential suppliers usually endorsed with their trade name or logo, or consumables such as food and/or drink etc.
  - b. Hospitality is defined as "a friendly and generous reception and entertainment of guests" – this will include any lunches, dinners, drinks, events or accommodation paid or provided by potential suppliers of any goods or services.
  - c. A reward is defined as "a thing given in recognition of service, effort or achievement" – this will include remuneration, reimbursement and fee, offered, paid, promised or implied.
- 5.2 Common gifts often include pens, diaries, calendars and other business stationery, articles of clothing, books or flowers and more occasionally, the offer of free or discounted food or refreshments.

### 6. Appropriate Gifts & Hospitality

- 6.1 There are circumstances during the normal course as a councillor or employee where gifts and hospitality may be accepted:
  - a. Civic hospitality provided by another public authority.
  - b. Any formal invite to an event in capacity as Civic Mayor, Deputy Mayor or other position.

- c. Normal and modest refreshment in connection with any meeting in the course of your work as a councillor or employee (e.g. tea, coffee, biscuits etc).
- d. Small, low value gifts (below £25 such as pens, calendars, business stationery, flowers and other mementos or tokens).
- e. Tickets for sporting, cultural and entertainment events that are sponsored or promoted by Seaford Town Council or bodies to which the councillor or employee has been appointed by Seaford Town Council, and the tickets are offered in relation to that sponsorship or promotion.
- f. Drinks or other modest refreshment in the normal course of socialising arising consequentially from Town Council business (e.g. inclusion in a round of drinks after a meeting).
- g. Modest meals provided as a matter of courtesy in the office or meeting place of a person with whom Seaford Town Council has a business connection.
- h. Souvenirs and gifts from other public bodies intended as personal gifts (e.g. arising from civic events).
- i. Invitations to local community clubs or groups hospitality events especially those who are tenants of Seaford Town Council.
- j. Invitations to attend a local community event in an official capacity as a councillor or employee of Seaford Town Council where hospitality is available.
- 6.2 The above may include that offered by existing concession or licence holder or tenants of the Town Council, but should not be accepted in any period of tender for said contract or a non-existing concession or licence holder (see section 7.1 below).
- 6.3 <u>Due to the nature of the work and sector, financial tips received by</u> employees at The View shall also be regarded as appropriate gifts under the terms of this policy. Both The View duty managers and employees must still however be mindful of ensuring that the tips are not conflicting with section 7 of this policy.
- 7. Principles for Accepting Gifts and Hospitality
  - 7.1 In deciding whether it is appropriate to accept any gift or hospitality, the councillor or employee must consider the following:

- a. Do not accept a gift or hospitality as an inducement or reward for anything you do as an Officer or Councillor. If you have any suspicion that the motive behind the gift or hospitality is an inducement or reward you must decline it.
- b. Do not accept a gift or hospitality of significant value or whose value is excessive in the circumstances.
- c. Do not accept a gift or hospitality if acceptance might be open to misinterpretation. Such circumstances will include gifts and hospitality:
  - i. From parties involved with Seaford Town Council in a competitive tendering or other procurement process.
  - ii. From applicants for planning permission and other applications for licences, consents and approvals in which Seaford Town Council has an involvement, even as a consultee.
  - iii. From applications for grants, including voluntary bodies and other organisations applying for public funding from Seaford Town Council.
  - iv. From parties in legal proceedings with Seaford Town Council.
- 7.2 Do not accept a gift or hospitality if you believe it will put you under any obligation to the provider as a consequence.
- 7.3 Do not solicit any gift or hospitality and avoid giving any perception of doing so.

## 8. Gifts Received and Donated to the Mayor's Charity

- 8.1 Councillors or employees on receiving gifts of value may pass them to the Mayor to be used for fundraising activities rather than retaining them personally.
- 8.2 Gifts received in this nature should still be recorded on the Register of Gifts & Hospitality (see section 9 below), save for where the gift is included within section 6.1 of this policy.

### 9. Registration of Gifts & Hospitality

- 9.1 Councillors and employees offered a gift or hospitality, even if not accepted and regardless of monetary value, must declare it by providing the full details in writing to the Town Clerk, who will enter it on to the Town Council's Register of Gifts & Hospitality.
- 9.2 This notification should include:
- a. A full description of the gift and/or hospitality offered;
- b. The best estimate of its market value or cost;
- c. Who provided it;

- d. Where and when it was received;
- e. Whether it was accepted or declined;
- f. Intention if accepted i.e. consume, partake in hospitality, share with other employees, mayor's fundraising etc.
- 9.3 The only exception to 9.1 above is those gifts and hospitality offers included at section 6.1 of this policy; to record every item of this nature would be considered excessive and a needless use of Town Council officer time.
- 9.4 Upon receiving notification of a gift or hospitality, the Town Clerk will advise (if relevant) whether the councillor or employee is able to either retain the gift or partake in the hospitality on offer.
- 9.5 The Town Clerk will be unlikely to allow retention of gifts that can be used as part of the Mayor's fundraising causes, with the exception of small gifts as mentioned at 5.2. These will be passed to the Mayor's Secretary to be used accordingly for fundraising.
- 9.6 In the situation of the Town Clerk being the intended recipient, they should include the entry in the Register of Gifts & Hospitality and inform the Mayor and Chair of Personnel of the way in which they deem the offering be best handled.

### 10. Inappropriate Gifts and Hospitality Offered

- 10.1 If any person who has or seeks to have dealings with the Town Council offers a councillor or employee, or a member of their immediate family (i.e. spouse, partner or child) a gift or hospitality and the councillor or employee has concerns about the reasons for the offer then they should refuse, politely but firmly.
- 10.2 All such refusals should be notified orally or in writing as soon as is reasonably possible to the Town Clerk, or in the case of the Town Clerk, to the Mayor and Chair of Personnel.
- 10.3 For the avoidance of doubt, inappropriate gifts and hospitality are deemed to conflict with the principles at section 7.1.

#### 11. Policy Enforcement

11.1 If a councillor or employee is unhappy with the decision of the Town Clerk, they should register their appeal to the Chair of the Appeals Committee within 10 working days of receipt of the Town Clerk's decision.

- 11.2 Any failure to comply with this policy by a Town Council employee may be deemed gross misconduct in accordance with the Council's Disciplinary Procedure and therefore could result in an employee's summary dismissal.
- 11.3 Any failure to comply with this policy by a councillor may lead to a Code of Conduct investigation by Lewes District Council's Monitoring Officer; if a breach of the Code of Conduct is upheld there are various sanctions that can be enforced.
- 11.4 It is every manager's responsibility to ensure that all employees for whom they are responsible have a copy of this policy. All new employees should be given a copy of this policy as part of the induction process. Heads of Service are responsible for ensuring that this policy is adhered to within their service.
- 11.5 The Town Clerk is responsible for ensuring all councillors receive a copy of this policy upon joining the Town Council and are reminded annually of the process for registering offers of gifts and hospitality.
- 11.6 The Town Council's Register of Gifts & Hospitality will be published annually on the Town Council's website to ensure complete transparency.
