

# Cuckmere buses

- a charity providing a vital Town Service bus to Seaford residents - including the Bishopstone, Clementine and Hawth areas
- even with the pandemic a reduced service was maintained with social distancing; some 9,000 journeys were undertaken in the year
- the grant of £2,000 from Seaford Town Council was used to help meet ongoing annual running costs in an extraordinary year
- Cuckmere Buses is very grateful to the Town Council for their continuing support which is recognised in our advert in Seaford Scene, and in our Annual Report & Accounts
