Seaford Christmas Magic 2019!

Seaford Town Council hosted Seaford Christmas Magic on Saturday 7th December in the streets of Seaford Town, where residents and visitors enjoyed festive music, Christmas market stalls, lantern making workshops & parade, Santa's grotto and secret stones treasure trail.

A variety of live entertainment captivated the crowds in Broad Street at the main stage with fabulous local bands, choirs and groups performing throughout the day. Tansley's street performance stage hosted a mixture of singers, along with Stix Drummers who were drumming around town.

Santa, Mrs Claus, and his merry elves were kept very busy throughout the day in Santa's Grotto, run by Seaford Musical Theatre, based in the Barn Theatre. Children were thrilled to be able to meet Santa and have their photo taken too.

New to Christmas Magic this year was the Secret Stones treasure trail, where Seaford Town Council worked with 14 local shops to create a treasure trail amongst the Christmas window displays. The First Prize of a beach hut for the day, donated by Seaford Town Council, was won by Kieran Wright who is looking forward to spending a day in one of the West View Beach Huts in summer 2020. Many prizes were won by lots of children who enjoyed searching for the decorated stones around Seaford town centre. Congratulations to all the winners and thank you to all the shops and participants.

Seaford Town Council and the Chamber of Commerce hosted a window display competition for all shops in Seaford Town. This year the competition was judged by the Chamber of Commerce President, Claire Davis and The Mayor of Seaford, Cllr Nazish Adil.

First prize was won by 'Be Creative' on Sutton Park Road, two runners up were Trevor Jewellers and Wynne's of Seaford.

Children were delighted to be able to make beautiful, colourful lanterns in St Leonard's...

...Church Hall with SCIP (Seaford Contemporary Illustrators & Printers) ahead of the magical Lantern Parade, where they could showcase their lanterns through town and join in the count down with the Mayor of Seaford, Seaford Rotary and the winner of the Mayors Christmas Card competition, Florence Vaxs to switch on the sparkling Christmas lights.

Seaford Town Council secured free car parking through Lewes District Council for all shoppers on Saturday 14th & 21st December. These included Saxon Lane, Sutton Road and West Street car parks. All other parking restrictions remained unchanged.

Thank you to all those who made the effort to make Christmas Magic so festive. A special thanks go to the volunteers of the Seaford Christmas Magic Committee, Sussex Events, Seaford Bonfire Society for marshalling, SCIP for Lantern Making, Seaford Musical Theatre for the grotto, our sponsor Bellway Homes, Seaford Town Council staff and all the stall holders who made the day possible.

Seaford Young Mayor's Christmas Magic Success!

The Young Mayor of Seaford; James Jenkins was delighted to be involved in the wonderful Christmas Magic event.

James and the Deputy Young Mayor; Chanel Pritchard had a stall in the High Street. The stall was a great success and visitors thoroughly enjoyed the tombola and pick a gold straw draw.

James and Chanel were extremely thankful to local business owners who generously donated some wonderful prizes. Some of the grand prizes included a large hamper from Morrisons, a coach trip for two from Premier Travel, Children's Sunglasses from Barraclough's, meal vouchers from various restaurants and many more.

A total amount of **£384.00** was raised which will go towards James' campaign to install Water Bottle Refill Stations in Seaford.

New Bike Station and Racks on Seaford Seafront!

Seaford Town Council is pleased to announce that thanks to the kind fundraising efforts of the Seaford Youth Forum, a brand-new bike station and 2 racks have been installed on the Seafront. The stand and one rack are located directly opposite Frankie's Beach Café and the other rack is by The Martello Tower.

The children raised money at various events including Seaford Christmas Magic, International Women's Day, 'Bike Rack Bonanza' at Seaford Town FC plus a lot of cooking and face painting!

Further contributions were made by Seaford Town Council and the Martello Rotary club where the Youth Forum gave a presentation.

The stand is ideal for carrying out basic repairs such as fixing a puncture or adjusting brakes and gears.

Roger Daw from Seaford Youth Forum said *"The Youth Forum are really thrilled that they have been able to provide this facility for our community and are grateful to all those who helped them to raise over £2000. It's a joy to work with this group of young people who will now be moving on to their next project which will involve tree planting to raise awareness of environmental issues"*

The Youth Forum's donation was generously added to by Dom of Frankie's Beach Café who had surplus funds after local residents joined together back in the summer to create a 'Go Fund Me Page' to cover the cost of replacement deck chairs that were vandalised.

The Council would like to thank everyone involved.

A West View Concession Hut available for a new trader in 2020.

Your chance to have your business on the Seaford's seafront

Seaford Town Council are excited to announce that there is a vacancy within one of the West View Concession Huts. Do you have a unique, creative, environmentally friendly, sustainable business? Seaford Town Council want to hear from you!

The West View Concession Beach Huts are purpose built in a prime location on Seaford's promenade close to Frankie's Beach Café and have lovely views out across Seaford Bay. They are situated next to the West View Beach Huts which are available to rent by the day and are extremely popular throughout the trading season. At West View there's lots of passing trade, the huts are visible along the promenade and have become part of Seaford's community.

With the days lengthening and the evenings getting lighter, everyone is getting excited for the arrival of spring and summer. This is an incredible opportunity for a budding entrepreneur to have their business situated in the hub of Seaford seafront for 2020.

The West View Concession Beach Huts will be available to trade from 1st April until 30th September 2020. The huts are 8 ft by 12 ft. The current concession community consist of *Minnie's* - fashion, *Ritualise* - crystal jewellery and *I love Brighton* - photography. Seaford Town Council are looking for a business to compliment the beach and something different from the amazing businesses they are already working with.

To apply email ellie.jb@seafordtowncouncil.gov.uk. Include a description of your business, images of your products and how you think you can benefit the beautiful beach. Seaford Town Council are committed to reducing plastic and want to hear how other businesses are too.

Splash Point Closure

It is with regret that Seaford Town Council announce Splash Point at Seaford will be shut off from the public for the foreseeable future. This is due to damage to the walkway caused by recent storms.

Seaford Town Council will be working alongside Lewes District Council and the Environment Agency regarding the future of this extremely popular site and to investigate various options concerning remedial works.

MARTELLO FIELDS FOR HIRE

Local charities - are you looking for a unique way to raise funds during 2020?!

Seaford Town Council has been looking at opening Martello Field (west) as an additional car parking space during the busy summertime weekends during 2020. This is following residents' feedback regarding the extremely busy promenade and lack of car parking during the summer months of 2019.

The Martello Field (west) will be available to local charity / community groups to hire from May through to September, where this space can be marshalled for extra car parking. The local charity / community groups will be able to take donations in return for offering the extra car parking space for the day and to help raise money towards their cause.

Temporary signs will be available to promote the location of the car park along the promenade.

If your charity or community group would be interested in this opportunity please do contact:

Referendum

Seaford Neighbourhood Plan result is in and the Town voted YES!

Following almost four years of dedicated work by a team of hard working local residents the referendum yesterday supported all of their efforts.

The result of the referendum is as follows:

Yes - 5566 (89%)

No - 673 (11%)

Rejected - 23

Turnout 31.8 % (national average for larger towns is about 20%)

So what does this mean for Seaford?

- ⇒ Immediately the amount of CIL funds coming from the Newlands site to the Town should increase from approximately £150,000 to £250,000.
- ⇒ All other new qualifying developments will now pay 25% CIL to the town instead of 15%.
- ⇒ The nine green spaces listed on the plan receive the highest possible protection, the 52 other open spaces and recreation spaces receive higher protection than they currently have.
- ⇒ All new housing (that must be accommodated) is on brown field sites, i.e. land that has previously been developed.
- ⇒ Over 100 affordable homes should be built.
- ⇒ Strict restrictions will exist on new building within the several conservation areas in the town.

For further details please see the Plan on our website—

Seaford Gets Plastic Free Status!

Seaford Town Council was pleased to hear the news that Seaford has achieved a plastic free status, thanks to local resident Claire Sumners and Plastic Free Seaford for their hard work. Seaford Town council has been pleased to play its part for example plastic Free status at The View at Seaford Head.

We would like to pass on the article below from Plastic Free Communities:

Seaford is Awarded 'Plastic Free Communities' Status as it Takes Action on Single-Use Plastic.

Seaford has joined a network of communities across the UK who are leading the way to tackle throw- away plastic at source. The town has been awarded Plastic Free Community status by marine conservation charity, Surfers Against Sewage (SAS), in recognition of the work it has done to start reducing the impact of single-use plastic on the environment.

Local resident Claire Sumners (pictured left) started the campaign in March 2018 after running beach cleans. Claire saw that the community were interested in how to clean up their local beach and how they could learn to stop using and buying single use plastic and disposables.

Registering with the SAS Plastic Free Communities movement, Claire pulled together key organisations and businesses in the town to put in place a five-point plan. The objectives include: setting up a community led steering group; instigating the SAS Plastic Free Schools education programme; getting local council commitment and working with local businesses, organisations and community groups to spread the word and minimise the amount of disposable plastics they use.

Claire said - "The campaign grew to a stage where I felt I needed help to run it and lucky for me I have the help of Fran Chorlton and Caroline Bond to continue enthusing and advising our community to make a commitment to change. Seaford is listening to us and we have a reputation now of being the plastic free ladies!

Cont. over...

Bulletin Board

...Seaford is full of independent shops and they have been instrumental in getting our message heard. One shop, Scoop and Weigh, has extended their range of bulk foods to buy loose in your own containers. The owner listened to what we wanted to see and put it in place. We are thrilled at this because it encourages residents to shop differently, for the planet.

All of the local Schools took part in a 'Plastic Free Week' in May 2019. This was important to us because we wanted to help schools get the message to students that single-use plastic needs to be given the boot. Subsequently we have had a massive increase in young children and their families

attending beach cleans.

We have been asked to speak at various clubs including Seaford Martello Rotary and they have since bought Green Goblets to use at events instead of single use plastic cups. Most recently, thanks to the support of Seaford Town Council and our co-leads, we had a stall at Seaford Christmas Magic where we spoke to and have advised the community on how to have a waste-free Christmas.

We have always wanted the campaign to be a collaboration between other organisations who are helping the planet and we have built up relationships with Sussex Wildlife Trust where we talk about how to best look after our coastline and countryside.

Whilst we know a community will never be totally single use plastic free, we hope this campaign evokes change in people's attitude towards convenience and single use. It has been a labour of love at times as it does take time, effort and multitasking to make ourselves heard but as we start a new decade, I know it has all been totally worth it."

The Surfers Against Sewage Plastic Free Community network aims to free the places where we live from single-use. Using the five point plan, the aim is to empower communities to kick start local grassroots action, which can then be built upon...

Bulletin Board

The marine conservation charity, based in St Agnes in Cornwall, says it wants to unite communities to tackle avoidable plastic from the beach all the way back to the brands and businesses who create it. It says it is not about removing all plastic from our lives but kicking our addiction to throw-away plastic and changing the system that produces it.

Rachel Yates, SAS Plastic Free Communities Project Officer, said: "It's great to see the work that Seaford has done to reduce the availability of avoidable plastics, raise awareness and encourage people to refill and reuse.

We have over six hundred communities across the UK working to reduce single use plastic and the impact it has on our environment. Every step those communities and the individuals in them take is a step towards tackling the problem at source, challenging our throw-away culture and encouraging the habit and system changes we need to see."

Plastic Free Communities is an ambitious community initiative designed to unite and empower individuals, small businesses, local government and community groups to reduce their collective plastic footprint and protect the environment together. Driven by inspirational local volunteers, we are building a new and exciting community movement tackling single-use plastics and plastic litter in our villages, towns, cities and rural locations. This highly inclusive initiative, created for all ages and backgrounds, is designed to get the whole community active and do something positive to reduce the amount of plastic in the local environment. We believe that united communities lead to cleaner beaches, streets, parks and riverbanks.

General Updates

Personnel Update

In the last newsletter we spoke about the outcome of the staffing review undertaken in November 2019 and recruitment that was soon to take place. We are now thrilled to welcome three new team members on board.

Karen Singleton has returned to the Town Council as Responsible Financial Officer (RFO), having worked as a consultant in the role in 2018. Karen is a very experienced finance and local government professional and will be focussing on developing the Town Council's financial strategy to compliment its robust financial processes.

Hayley Barnes has joined in the newly created role of Marketing Officer. Having previously worked in marketing at East Sussex County Council, Hayley is full of exciting ideas for the Town Council and is currently conducting an audit of the Town Council's activities before developing a Marketing Strategy to strengthen the Town Council's marketing and communications.

Gemma Saunderson-Barker has also returned, working one day a week in the role of Administrative Assistant. Gemma has previously worked for the Town Council and has hit the ground running, giving vital support to help keep the Town Council's operations going smoothly.

Finally, we are thrilled to announce that Sharan Brydon welcomed a healthy baby boy, managing to hang on to deliver her other baby first, Christmas Magic! Mum and baby are both well and we are all eagerly awaiting cuddles in the office!

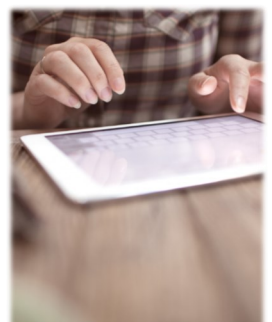

At the time of printing, the Council is currently recruiting for a Sous Chef at The View – check out our website for more details on the role or contact The View on 01323 890 139.

Seaford Young Mayor's Quiz Night Success!

On Friday 17th January the Seaford Young Mayor James Jenkins, assisted by the Deputy Young Mayor Chanel Pritchard, hosted a General Knowledge Quiz at 'The View' at Seaford Head. The team entry money, proceeds from the raffle and auction raised a fantastic **£700!**

All the proceeds are going towards funding for **Water Refill Stations for Seaford** to encourage and support the community in using refillable bottles and reduce single-use plastic.

Quote from the Young Mayor:

"What an excellent evening it was! Thank you to everyone who contributed towards the fundraising at the quiz night. Everyone was happy and the time went so fast! With the amazing turnout, raffle and auction, we were able to raise £700 which is incredible, I hope that my second quiz night on the 13th March will do just as well!"

A special thanks to all the local businesses who kindly donated raffle prizes. These include, VR Flowers and Son; Cloe's Café; Foam and Fabric; Sedici; Wynnes and Seaford Fencing; Bengal Palace; R & B Fish and Chip Shop; Fonetastic; Gino's; Tang's; Redgolds Opticians; Massala Express; Tansley's Printers; and Premier Travel.

Thanks also to everyone who participated in making this such a fun and enjoyable evening.

Weddings at The View

The View's Finance and Event Co-ordinator, Rebecca Sandalls and Bar Worker, Amanda Chippendale attended the Eastbourne Wedding Spectacular on Saturday 4th and Sunday 5th January.

The event took place within the Welcome Building, next to the Congress Theatre, in Eastbourne. Rebecca & Amanda spoke to a lot of couples over the weekend and there were many people interested in the venue.

A couple of incentives were offered on the stand, aside from an offering of chocolates. The competition to win a 2 course Sunday lunch for 2 went down well and in the process a further 40 email addresses were gained to be added to the current database of customers.

A lot of people had not heard of the View and didn't know where it was located, therefore couples and families were provided with a map and discount voucher, to be used towards their meals at The View. The Winter lunch menu also went down a treat and was handed out to a number of people.

Overall, the event was a success and after following up on all of the enquiries and emailing the contacts, Rebecca has two viewings booked, for this month. One of the couples has made a provisional booking for Saturday 5th September 2020 and the other couple are

interested in the venue for a Wedding taking place on Saturday 25th July. We are hoping to receive further replies and arrange more show arounds.

The View will attend another such similar event later on in the year, as it has proved to be worthwhile.
