

SEAFORD HEAD GOLF COURSE ASSISTANT GREENKEEPER

What type of person are we looking for?

Essential Qualities:

1. Minimum 2+ years' golf course maintenance experience.
2. Ability to work with the minimum of supervision using your own initiative.
3. Good understanding of Health and Safety regulations and their application in the workplace.
4. Flexible approach to work outside of normal weekday hours when necessary.
5. Willingness to work as part of a team.

Desirable Qualities:

1. Currently hold PA1, PA2 and PA6A certificates.
2. NVQ Level 2 in Horticulture or equivalent.
3. Ability to deal confidently with members of the public, suppliers, training providers, councillors and staff.
4. Knowledge or experience of sustainable golf course management techniques.
5. Operating knowledge of golf course irrigation.
6. Experience and understanding of chemical and fertiliser programmes.
7. Holder of a full driving licence.
