P05/05/22 Planning Applications

LDC Planning Applications received weeks commencing Monday 25th April 2022

[LW/22/0253 – 9 Bishopstone Road](#) – Single storey extension with flat roof and roof lantern.

It was **RESOLVED** to **SUPPORT** the application.

LDC Planning Applications received in week commencing Monday 2nd May 2022

[LW/22/0284 – Widmore, Chyngton Lane North](#) - Demolition of existing dwelling and erection of 2 No. semi-detached chalet bungalows together with parking.

It was **RESOLVED** to **OBJECT** to the application on the following grounds:

It was acknowledged that the scaling down from two detached chalet bungalows proposed in the refused application LW/22/0051 to a pair of semi-detached dwellings was appropriate given the constraints of the site. Also the revisions had met the concerns over the adverse impact on the property to the north, 'Meadows'. However it was considered that the provision of the main living accommodation at the rear of the upper floor, and the windows provided to take advantage of the views over the downland to the east, would lead to excessive overlooking of the rear gardens of the properties in Eastbourne Road, in particular 'Forest View' , and that the loss of privacy and general amenity arising would be contrary to policy DM25 of the Lewes Local Plan Part 2.

[LW/22/0294 - 35 Quarry Lane](#) - Proposed garage conversion and infill extension.

It was **RESOLVED** to **SUPPORT** the application.

[LW/22/0304 - 12 Corsica Road](#) - Dual hip to gable side roof extension with 2no. obscure glazed windows, rear flat roof dormer with side panels, and Juliet balcony, and single storey rear extension with crown roof and 2no. rooflights.

It was **RESOLVED** to **SUPPORT** the application.

It was **RESOLVED** to **SUPPORT** the application.

It was **RESOLVED** to **SUPPORT** the applications.

Tree Work Applications

[**TW/22/0024/TPO - Cuckmere House School, Eastbourne Road**](#) - Sycamore, TPO No.

3041 - Because of Excessive shadowing the tree requires crown reduction of 4 metres off the height and lateral branches - to include a crown lift of 5 metres.

It was **RESOLVED** to **SUPPORT** the application.
