Seaford Town Council

Seaford Town Council's Mission Statement

"Working together for Seaford"

Seaford Town Council's Strategic Objectives

To develop the cultural and economic well-being of the town

To improve the environment of the town

To improve and maintain the recreational facilities of the town

To help represent the needs of the community

To practice good governance and fiscal responsibility

Local council run services within Seaford are provided by three tiers of local government. While working closely together for the town, each authority has its own areas of responsibility and service delivery.
