A huge thank you to Teddy Treats for your generous donation to help towards our mission to help young people find their confidence through Streetdance!

This donation will enable us to provide much needed after school provisions in Seaford 🇬🇧

We would love more of you to please support us to give back to the community, to rebuild confidence and re-engage children doing fun physical activity! ⭐

This provides so many benefits to young children, improves fitness as well helps with mental health, managing stress levels and creating an everlasting friendship group.

At Streetfunk we provide a safe and secure environment for children to explore their personalities through the movement of dance 🕺
