Members of the public looking to participate in the public participation section of the meeting must do so in person, by making a verbal statement during the public participation section of the meeting.

Below are some key points for public participation in the meeting:

1. Your statement should be relevant to the activities of the Town Council.
2. You will only be able to speak at a certain point of the meeting; the Chair of the meeting will indicate when this is.
3. You do not have to state your name if you don't want to.
4. If you are unsure of when best to speak, either query this with an officer/councillor ahead of the meeting or raise your hand during the public participation item of the meeting and ask the Chair – they will always be happy to advise.
5. When the Chair has indicated that it is the part of the meeting that allows public participation, raise your hand and the Chair will invite you to speak in order.
6. Statements by members of the public are limited to four minutes and you don't automatically have the right to reply. The Chair may have to cut you short if you overrun on time or try to speak out of turn – this is just to ensure the meeting stays on track.
7. Where required, the Town Council will try to provide a response to your statement but if it is unable to do so at the meeting, may respond in writing following the meeting.
8. Members of the public should not speak at other points of the meeting.
