Speaker	Statement
<i>Resident A</i>	<i>Agenda Item 4 A Trustee of the Mercread Youth Centre. Have CIL funding to renovate and install an air source heat pump but it will need to sit outside of the building. Have been advised by Seaford Town Council that they cannot place the fan required on the back of the building - how will the Town Council go forward to help decarbonise a community building and urges the Town Council to reconsider.</i>
Town Council Response	Thanked the resident for their contribution and offered for further liaison with Town Council officers following the meeting.
<i>Resident B</i>	<i>Agenda Item 5 A volunteer for Seaford Community Partnership.</i>

	<i>Highlighted concerns surrounding the process of needing to take smaller items such as cycle parking to Climate Change Sub-Committee and then Community Services Committee. Also raised concerns that cycle parking wasn't including in Salts Tennis Courts renovation project and suggested that the Town Council considers an overall policy to simplify and speed up the process of putting in place such amenities alongside other projects.</i>
Town Council Response	Thanked the resident for their contribution.
