#### **P53/01/25 Planning Applications – For Comment**

Planning Applications received in week commencing Monday 1 December

**LW/25/0651 – 12 Clementine Avenue** – Erection of a self-build detached single dwelling.

It was **RESOLVED** to **OBJECT** to the application on the grounds of overdevelopment.

The proposed development would severely increase the housing density of the area resulting in overdevelopment, which would have an adverse impact on the character and appearance of the area, contrary to policy DM 25 of the Local Plan.

It was also considered that there was insufficient space in the rear garden of 12 Clementine Avenue to accommodate the proposed dwelling.

Properties in the area have reasonably sized rear gardens which are in keeping with the general character of the area. The rear gardens that would be provided for the proposed and the host property would be simply too small, this too would have a serious adverse impact on the character and appearance of the area, contrary to policy DM 25 of the Local Plan.

**LW/25/0708 – 77 Sutton Road** – Section 73A retrospective application for additional vehicular access; alterations to front boundary wall and addition of entrance pedestrian gate.

It was **RESOLVED** to **SUPPORT** to the application.
